## From the Pastor's Desk...

This weekend we celebrate the Feast of the Body and Blood of our Lord Jesus Christ, also traditionally referred to in Latin as the Feast of Corpus Christi. This weekend also marks the kick-off to a Year of Parish Eucharistic Revival. This past year the National Eucharistic Revival has been discussed by the bishops of the United States, and now it is time for more of a focus on the parish level throughout our country. Our parish will kick off this Year of Revival with a special Bi-Lingual Mass at Noon on Sunday, June 11, followed by a Eucharistic Procession around the track next door at Bernotas School.

The Spirit of Revival is in the air. Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National

Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.

Why now? Because the Church needs healing, and the world needs the Church. Scandal, division, disease, doubt. The Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response is pivotal.

In the midst of these roaring waves, **Jesus is present!** Jesus is present to remind us that he is more powerful than the storm. He desires to heal, renew, and unify the Church and the world. How will he do it? By uniting us once again around the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is the joyful, expectant, grassroots effort to restore this core teaching and belief of our Catholic Faith.

**THE MISSION:** To renew the Church by enkindling a living relationship with the Lord Jesus Christ in the Holy Eucharist.

**VISION:** To inspire a movement of Catholics across the United States who are healed, converted, formed, and unified by an encounter with Jesus in the Eucharist – and who are then sent out on mission “for the life of the world.”

From the earliest times, Christians have observed rituals centered around a meal, focused on bread and wine. Bread was a staple of the Hebrew diet. In fact, it was a staple of the diet of all people living at that time. Their agrarian society focused on yields of the earth's harvest. Wine was a common drink in biblical times, often on the table at everyday meals. People diluted it with water so that it was not as strong as a wine produced today.

One of Jesus's earliest post-resurrection appearances was to two disciples on the road to Emmaus. Although initially he was thought to be a stranger encountered on the road, the breaking of the bread opened up their eyes and they were able to recognize Jesus (Luke 24:30-31). May our eyes and hearts be opened to the Real Presence of Christ in the Eucharist. May our hearts burn with a renewed love and desire to behold the One, who makes all things new!

Peace, love and joy,

Fr. Bob Jones

## The Priesthood and the Eucharist

"These two Sacraments were born together," wrote St. John Paul II of the priesthood and the Eucharist, "and their destiny is indissolubly linked until the end of the world."

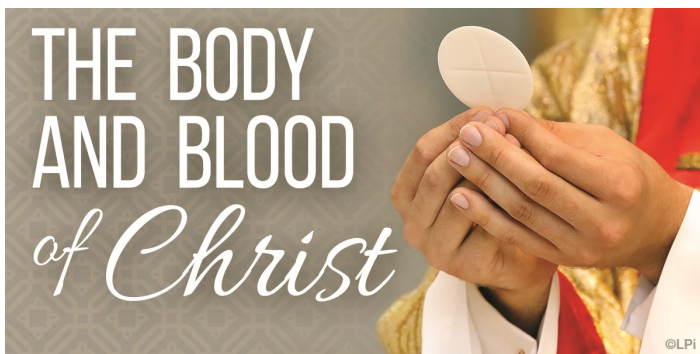

The Eucharist is such a beautiful example of how God, conscious of our limitations, bends to meet us. He once came to us cloaked in the flesh, that we might recognize Him. Now He comes as the very means by which we nourish ourselves: food and drink, the most familiar and comforting thing in the world to us. How easy He makes it to fulfill his command that we become one with Him. How generous He is to make such a sacred thing also accessible.

We can say the same of the priesthood, and of the men He calls to its number. How generous of Him to make such an accessible thing — our sons, our brothers, our uncles, our cousins — sacred. How generous of Him to allow these human creations — who share in our own faults — to be the means through which He comes to us in the Eucharist.

Without the Eucharist, we would have no eternal life. Without priests, we would have no Eucharist. On this, the Solemnity of the Most Holy Body and Blood of Christ, let's give thanks for our priests, and redouble our prayers that God will send us good and holy ones — manna from Heaven in our wandering exile.

"Whoever eats my flesh and drinks my blood has eternal life, and I will raise him on the last day." — John 6:54

I have seen many people live heroic lives for God without leaving their own place of work, and I have come to this conclusion: for a Catholic work is not just a matter of fulfilling a duty — it is to love: to excel oneself gladly in duty and in sacrifice.
