## From the Pastor's Desk...

This weekend, our nation celebrates its 249<sup>th</sup> birthday. Despite the many challenges that our nation faces, it is important to reflect on all the blessings we have as members of this nation. This is certainly a time for us to thank God for the freedoms we enjoy and to pray for God's special blessings on our nation's leaders and the vast populace they serve throughout our country.

This is a time to remember with gratitude the founding fathers of our democratic republic, especially, Thomas Jefferson, the author of the Declaration of Independence, and James Madison, the architect of the Constitution, who believed that all power, including political power, came from God and was given to the people who entrusted this to their elected leaders. We must pray that all our leaders see this responsibility as a Sacred obligation to protect and serve. This is very much a time to remember and pray for all our brave soldiers who made the supreme sacrifice of their lives to keep this country safe and free. We also pray for all who are now engaged in efforts to protect and serve the people of our country – both home and abroad.

This is a time to remember the basic principle underlined in the constitution, that "all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty, and the pursuit of Happiness." It is a good time to pray for the fundamental right to life that is denied to far too many pre-born children – who need to grow and develop in their mother's wombs (as we all needed). It is a good time to also remember the sick and elderly. May they be able to experience full lives with natural deaths, without fear of euthanasia.

This is a good time to pray for and work for liberation for those who are still slaves in our free country – slaves to evil habits and addictions to alcohol, drugs, pornography, sex trafficking and many other harmful behaviors. It is a time to become recommitted to our own growth in Christ, and to living as Americans who contribute something to our religion, Church, country, and the lives of others. It is a time to remember Whose we are, where we came from, what we stand for, and the sacrifices that thousands of our countrymen have made on our behalf. It is a day to offer our country and all its citizens on the altar of God, asking for our ongoing conversion and for His providential care, protection and blessings.

I pray you all have a most blessed Independence Day Weekend!

Peace, be with you, Fr. Bob Jones

## Carry Your Cross

As Catholics, we talk a lot about “redemptive suffering” and “carrying your cross.” What does that mean practically in daily life?

When Jesus spoke these words, they would have sounded quite intense to his hearers. *“Pick up your cross daily and follow me.”* At the time, Jesus hadn’t yet been crucified. A cross was a Roman torture instrument. “Pick up the thing that tortures you the most,” Jesus seemed to say. Unfortunately, most of us have no real shortage of these in our life. To take up the cross isn’t to seek out new sufferings in our life. It’s to accept the life we have.

Of course, unjust or unhealthy circumstances should be rectified when possible. But there are always circumstances that remain out of our immediate control. It could be pain management, the defiance of our teenage child, or an unhealthy work environment ... but you need the paycheck to pay the bills. In difficult circumstances, it can be easier to blame, complain, or daydream our way out of it. None of these are real solutions, since none of them accept the reality of the situation at hand. Those options only add to our suffering, since they damage relationships, fixate on the problem, or set up unrealistic expectations.

Instead, Jesus invites us to take up our cross — to look at the uncomfortable situation square in the eyes, take a deep breath, and do our best to be present to God’s grace in the moment. To love those in our path. To take things one step at a time. @LPi

## St. Michael Prayer

The prayer to St. Michael invokes the protection of the archangel Michael in the ongoing spiritual battle for the souls of all mankind. This prayer was composed by Pope Leo XIII and its use was instituted in 1886 at the end of Low Mass, a tradition which continued until the liturgical reforms of the Second Vatican Council. A popular story regarding its origin claims that the Pope wrote this prayer after having a vision of demonic spirits descending on Rome.

Michael is mentioned as one of God’s seven archangels in the Book of Enoch and is presented by Revelations 12:7-12 as the warrior angel who cast Satan from heaven. He is therefore traditionally venerated as a protector against the forces of evil and a guardian of the Church.

The Prayer to St. Michael is still commonly said at the end of the rosary and by some parishes after the conclusion of Mass. @LPi
