

2025-2026 Confirmation Patron Saint Project

In Year 2 Confirmation, you will be learning more about different saints that we have in our Catholic Faith. In November we walked through the saints together & went over a few saints most of us had heard of, but there are so many more than that to learn about. We hope that after talking with your family, researching on your own, or praying about different saints that you have been able to pick a Patron Saint for your Confirmation this Spring!

This Patron Saint Project should not feel like homework, we don't want you to just fill out a form or write us a paragraph! We want you to do what you feel called to do!

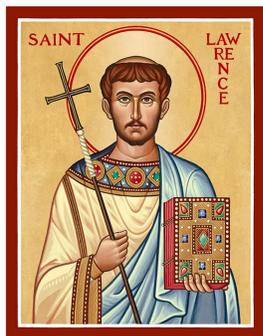

Your Saint Project Must Include:

- Saint Name
- Feast Day
- Patron of
- Any fun facts you would want to share
- Why did you choose this Saint?

Some examples of Saint Projects:

- A drawing of the Saint
- Powerpoint Presentation

Any way you can creatively complete this Saint project is welcomed! If you are unsure of where to start or what you might want your project to look like, ask one of our Youth Leaders! They are more than happy to help!

Saint Projects are due **Sunday, February 1st, 2026!**
