Dear Parishioners,

Today we once again recall that tragic day in our country 21 years ago when terrible tragedy struck high rise office buildings in New York City, the Pentagon in Washington, DC, and the courage of those who brought down the airliner in Shanksville, Pennsylvania. While our country suffers from gun violence and political unrest now, and the world continues to watch the war in Ukraine, let us pause for a few moments today to remember how 9/11/2001 impacted our lives and pray for all those who suffer from that day.

As school has gotten underway, and sports programs for all ages, many of our other parish activities are resuming as well. The Women's Bowling League meets Friday mornings at the bowling lanes in Norristown, the Scouting Program for Troop 304 resumes regular meetings. Several of the older boys continue to receive their Eagle Scout Medals -- today Liam Knotek will have his Court of Honor.

Also the Over 50's Club will have their opening Mass for the year on Tuesday, September 13 at 11:00 am. new members are always welcome.

Over the summer the Glenside Ministerium has met twice for a Vigil to end gun violence that is plaguing our cities, communities, and country. St. Luke's will host the September gathering on Wednesday of this week at 6:30 pm for a brief prayer service on the Easton Road steps of the church. I invite you to join us.

Many other activities are available for your participation. Father Wackerman and I will continue Parish Visitation this week. Thank you, again, for all you do to show your love and support for St. Luke's and our Glenside community. Be assured of my continued prayers, as I depend on yours.

St. Luke, pray for us.
Father Joe Brandt
