We strongly encourage you to pre-plan for your funeral/burial. When you pass, your loved ones will be grieving and may not feel sure of your wishes; this can make it very difficult for them to make decisions on your behalf. Choosing your type and place of burial, as well as pre-planning your funeral liturgy, will ensure your wishes are honored as well as giving your loved ones peace of mind. Call the parish office to make arrangements to choose your burial options and plan your funeral liturgy.

These prices/policies will go into effect October 1, 2021. St. Paul Cemetery management reserves the right to modify prices and policies at any time.
