Sacred Heart—Our Lady of Pompeii Parish

From the Pastor

“If you love me, you will keep my commandments. And I will ask the Father, and he will give you another Advocate to be with you always, the Spirit of truth, whom the world cannot accept, because it neither sees nor knows him. But you know him, because he remains with you, and will be in you.” *John 14:15–17*

Imagine a spouse or a friend saying to you, “If you love me, you will keep my commandments.” Such a statement might cause you to react with surprise. Ordinarily, we do not see obedience to another as a sign of love for them. However, what if a parent were to say to a child, “If you love me, you will be obedient.” That statement is easier to accept because of the unique role of a parent to their child. With regard to our relationship with God, obedience to His divine will is the greatest act of love we can offer. This is because the will of God is perfect. It’s exactly what we need and what we were made for. And it is the one and only way to achieve the human fulfillment that we seek. Only God can say such a thing to us because only God is God.

Jesus followed up His call to obedience by saying that if heeded, it will result in Jesus and His Father bestowing their Holy Spirit, the Spirit of Truth upon you. The Holy Spirit will remain “with you, and will be in you.” This is such a profound statement from our Lord. Jesus tells us that obedience to God leads to a discovery of the Truth. And as He says elsewhere, “If you remain in my word, you will truly be my disciples, and you will know the truth, and the truth will set you free” (*John 8:31–32*). Obedience leads to Truth. Truth leads to freedom.

Do you want to be free? Clearly we do. We are obliged to want freedom, just as we are obliged to want happiness. Why? Because the desire for freedom and happiness is written upon our very nature. It is a desire that we cannot escape. Jesus tells us today that obedience to the Father is the pathway to that desired freedom and happiness.

Consider a parent telling their child not to eat a certain wild berry that grows behind their house because the parent knows the berry is poisonous and will cause the child to become sick. If the child disobeys and eats the berry anyway, he will learn the important lesson of obedience. On a grand scale, this is what God does for us. He is the perfect Father Who always knows what is best for us. For that reason, we must not only conform to His will, we must desire it, seek it out and desire to be obedient to the greatest degree. This is the path to Truth. It is the path to freedom. It is the path to the happiness we desire.

Have a blessed week and continued Happy Easter!

Reverend Christopher Monturo

RIVERTOWNS PARENT EVENT THE POTENT TRUTH

We invite you to participate in a conversation on the current drug and alcohol trends affecting today's teenagers. Our discussion will cover a range of topics, including high-potency marijuana, edibles, contaminants, prescriptions pills, and the potential effects of these substances on the developing brain and body.

As parents, it is essential to stay informed and learn effective ways to talk to our teens about these issues. This event aims to provide crucial information and equip parents with the knowledge and skills they need to approach these conversations.
