Prayer Corner

Heavenly Father, I thank you for loving me.
I thank you for sending your Son,
Our Lord Jesus Christ, to the world to save and to set me free.
I trust in your power and grace that sustain and restore me.

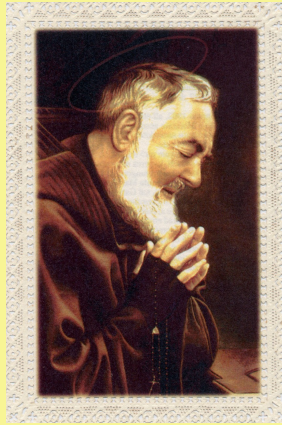

Loving Father,
touch me now with your healing hands,
for I believe that your will is for me to be well in mind, body, soul and spirit.
Cover me with the most precious blood of your Son,
our Lord, Jesus Christ from the top of my head to the soles of my feet.
Cast anything that should not be in me.
Root out any unhealthy and abnormal cells.
Open any blocked arteries or veins and rebuild and replenish any damaged areas.
Remove all inflammation and cleanse any infection
by the power of Jesus' precious blood.
Let the fire of your healing love pass through my entire body
to heal and make new any diseased areas
so that my body will function the way you created it to function.
Touch also my mind and my emotion,
even the deepest recesses of my heart.

Saturate my entire being with your presence,
love, joy and peace and draw me ever closer to you every moment of my life.
And Father, fill me with your Holy Spirit
and empower me to do your works

I ask this in the name of the Lord Jesus Christ.

Amen.

St. Padre Pio, pray for us.

Next week students will take the MAP assessments. We are going to have K-2 take math and reading , grade 2 will add Language arts and grades 3-8 will take math, reading, Language arts and science. Each day will be one subject area. Please help your child by making sure they have enough sleep each night, a good breakfast in the morning and water at school to stay hydrated.

I am working with Our Sunday Visitor to set up an annual giving program for ASCS. Many of the Diocesan schools have done this and made a lot of money. Please contact me if you would like to help me with this project. Ways to help are with taking pictures, giving testimonials for the brochures etc. It would not be a large time commitment, just ideas.

Please check your junk mail for a survey that I sent regarding having school on October 28, 2021. I used my Diocesan Google account so it may be in your junk! Thank you!

Mrs. Lisa Gruber

Weekly newsletter will be sent home Thursday after school, via an email through Constant Contact. Some have been going to Spam, so spread the word to your ASCS family and friends.

Service Opportunities

- Bingo Night-Monday-This service opportunity does not have to be weekly. If you are able to help with bingo please call Betty Duckett at 920-562-2510. She may call you and ask for help with Bingo.
- Please consider signing up early for a home Packer Game! The parish and school rely on the money earned from working at the Packer Pro Shop on home game days. You receive 10 hours per person toward your family's service hours! If you have children over 16, they can work on day games. Students must be over 18 to work night games. They also feed you!

The next home game is October 3

Fall Flower Sale

Please help support our Home and School Association! The Fall flower sale is **September 25** from 9:00-1:00 in the school parking lot. Prices and details are in the flyer below.

Please let Christy Derricks know if you can help with the sale of any leftover plants after Mass on Sunday.

COVID News

As of August 11, 2021, we are able to make decisions about masking based on our local community. Here are some of the procedures and updates.

Hygiene and Cleanliness

- Adequate personnel are needed to clean the building.
- All employees and students should wash or sanitize their hands as appropriate.
- Hand sanitizers and/or wipes should be readily available in all classrooms and common areas.
- Areas of the school where illnesses are commonly spread, should consider being cleaned between the beginning of the day and lunchtime, then again after the school day is completed.
- Consider cleaning high touch areas at least two times a day - railings/door knobs/etc.
- Classroom teachers should consider evaluating the way students are sent to the restroom to limit the number of people in the small space at once.
- Each school building should be deep cleaned once a week. Schools may consider using a fog chemical that is safe for schools to accomplish this deep clean.
- Students need to be instructed that they should do their best to always cough or sneeze into a tissue (discarded) or their elbow. At all times, this needs to be modeled well by school employees.
- Instruct students on proper hygiene of blowing nose or coughing. The student should discard the used tissue and wash or sanitize their hands. Adults working in the school must model this practice.
- Administrators should post appropriate sanitary methods for the students to have a visual reference on how to stop the spread of germs.

Based on updated data from the CDC and DPI, the following guidelines are recommended for schools:

A student or employee who is diagnosed with COVID-19 must follow procedures as outlined by their county health department. If there are no county health procedures in place, the following guidance should be followed:

- If a staff or student is not vaccinated and tested positive for COVID or was exposed to someone who tested positive for COVID, and the staff or student has NOT HAD COVID within the past 90 days, the staff or student should quarantine for a minimum of 10 days. The result may be shortened to 7 days if the staff or student receives a negative COVID test result.
- If a staff or student is not vaccinated and was exposed to someone who tested positive for COVID, and the staff or student HAS HAD COVID within the past 90 days, the staff or student do not need to quarantine.
- If a staff or student is vaccinated against COVID they do not have to quarantine, but should get a COVID test within 3-5 days of exposure.

Masks

- Face masks are required on public school buses.
- The use of masks are at the discretion of the school.
- DPI and the CDC recommend that all students, teachers, and staff, regardless of vaccination status, wear face masks at school.
- Schools may consider in areas where there is student density and close contact in excess of 15 minutes that masks covering the nose and mouth be worn by adults and students.
- The Office of Catholic Schools will require masks to be worn if a school has over 10% of the total student body with a positive COVID 19 test. Masks will continue to be required until the school achieves an infection rate of less than 5%.
- If the COVID rate in your county is at Moderately High or greater, visitors and guests should not be allowed in your school. This includes volunteers. When the county rate is at Moderate or lower, visitors, volunteers and guests may return.

Schools are not required to take temperatures or ask health related questions for students as they enter the school building. Schools should consider implementing screening of students if COVID levels at the county level are in the High category.

It is the responsibility of the parent (guardian) to make certain a child is healthy and able to attend school. Parents should send their child to school if they have answered NO to all of the following questions:

- Have you been in close contact with a confirmed case of COVID-19?
- Have you had a fever in the last 48 hours?
- Have you had a new loss of taste or smell?
- Have you had muscle pain or chills?

- Have you had a new headache?
- Have you had nausea, vomiting or diarrhea?

Knights of Columbus

Knights of Columbus meets the first Tuesday of the month in the church basement from 6-9 p.m.

Service and charity are at the heart of the Knights. Founded to meet the needs of immigrants, refugees and families suffering from the death of a breadwinner, the Knights began as a small service organization and has grown into a worldwide financial and charitable organization.

Our local KCs has helped the school with generous donations throughout the years. Please support their fundraisers and consider joining!
