Shades of Gold

So many shades of gold
Autumn
Another miracle we take for granted
Another expression of the artist's vision
The blending of the autumn hues
with the setting sun
Warm
Comforting
Perfect
Thank you for autumn, Lord.

Mrs. Lisa Gruber, Principal

lgruber@allsaintsschool.net

Middle school students will attend the All Diocesan Schools Mass on Nov. 3. I contacted Roncalli schools and they agreed to let us ride a bus with them!

We would like to have students in grade K-5 dress like the saint they are studying for the All Saints day Mass on November 1. Please be in touch with your child's teacher about this.

The end of the first quarter is quickly approaching. Hopefully everyone has logged in to PowerSchool to check your child's progress. We are going to give out the report cards during conferences. We will also provide your child's MAP Assessment results.

We would like to try to have all conferences in one evening, November 11. We can fit all the conferences into one night. However, if November 11 does not work for you, please contact your child's teacher to set up a time to meet on a different day. Thank you!

Mrs. Lisa Gruber

Volunteer Opportunity

We are looking for volunteers to serve lunch after the **10am mass on Saturday, Nov. 13th** in the parish hall. These hours can go towards volunteer hours needed for school. Please contact Stephanie Wright for more information at 920-901-0559.

Parish Food Drive

This holiday season you can get into the spirit of service for Thanksgiving by donating food to our local food pantry. Here's how you can help a family put a holiday meal on the table this Thanksgiving. Simply bring food items to the All Saints Food Drive the week of **November 3rd - 7th**. Bring the items to mass and place items in front of the altar. Items will be distributed by the Denmark Food Pantry on November 9th. Please, no glass jars. Detailed list of food items needed can be found on the website - www.denmarkareacatholic.com

We will participate as a school in this food drive. If you prefer to send items to school with

your child, we will collect them and distribute them to the food pantry. Thank you in advance!

We contacted the Community Cupboard and they are in need of the following items:

We are always in need of noodles including mac and cheese and ramen; peanut butter; Bisquick; and canned fruit. We have an abundance of soups and canned veggies right now, so we are not in need of those items in particular.

Reminder

As a reminder, please make sure to contact the school office with information about student absences, coming to school late or leaving early. Feel free to include me and your child's teacher in emails. Lately there have been a few messages sent to only one person. You never know if your child's teacher is out and has a substitute who can't access email. Also, during the school day we may not see an email in time to relay a message. Thank you.

News From Roncalli High School

In support of Catholic education, here is some information from Roncalli High School. In the future, there may be visitors from Roncalli and Notre Dame Academy to promote the Catholic high schools. I hope you consider and seek information about our Catholic high schools. Both schools are Wisconsin Parental Choice schools. Flyers for Preview night and athletic passes will be sent home soon.

Youth Ministry News

YOUTH MINISTRY COULD USE SOME HELP:

National Make a Difference Day Saturday, Oct. 23, 2021:

Youth ministry will be participating in National Make a Difference Day!

We could use extra hands and feet to help those in the community with some chores around the house or yard. If you and/or your student could lend a hand that day, please let us know.

If you or someone you know could use some help cleaning up a yard or washing windows for the winter, please let us know or have them contact us to be put on the schedule.

For those who would like to help; we will be gathering at the home of Tom and Patty Bekkers between 7:45 and 8 am (so that we can get on the move by about 8 am), you will be grouped up with chaperones, and adults given a work list of people and addresses. We work until about 12:30 to 1 pm and then return to Tom and Patty's house for lunch before calling it a day.

PLEASE contact Jessica Phillips at 883-7357 or Patty Bekkers at 660-8064 for more information on any of these youth ministry activities.

Thank you and God Bless!

Kellner Back Acres Farm

October is National Farm to School Month! Join us and thousands of schools, early care and education sites, farms, communities and organizations across the country as we celebrate food education, school gardens and lunch trays filled with healthy, local ingredients.

On October 26, the students will go out for a day of fun and education! They will learn about harvesting, working on a farm and where some of their food comes from!

Please check the weather because we will attend rain or shine! Wear outdoor work clothes, layer your shirts, wear a sweater or jacket, outdoor work boots (something you can get a little dirty!) and bring work gloves if you have them.

Watch for news from your child's teacher about Halloween celebrations.

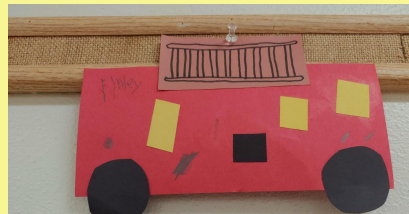

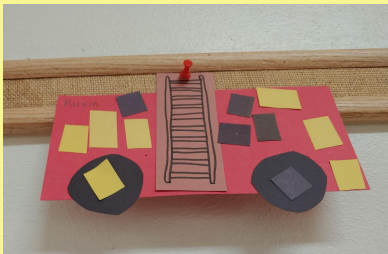

Classroom Highlights

Classrooms themes are Fire Safety, Fall, pumpkins and giving thanks!

COVID News

As of August 11, 2021, we are able to make decisions about masking based on our local community. Here are some of the procedures and updates.

Hygiene and Cleanliness

- Adequate personnel are needed to clean the building.
- All employees and students should wash or sanitize their hands as appropriate.
- Hand sanitizers and/or wipes should be readily available in all classrooms and common areas.
- Areas of the school where illnesses are commonly spread, should consider being cleaned between the beginning of the day and lunchtime, then again after the school day is completed.
- Consider cleaning high touch areas at least two times a day - railings/door knobs/etc.
- Classroom teachers should consider evaluating the way students are sent to the restroom to limit the number of people in the small space at once.
- Each school building should be deep cleaned once a week. Schools may consider using a fog chemical that is safe for schools to accomplish this deep clean.
- Students need to be instructed that they should do their best to always cough or sneeze into a tissue (discarded) or their elbow. At all times, this needs to be modeled well by school employees.
- Instruct students on proper hygiene of blowing nose or coughing. The student should discard the used tissue and wash or sanitize their hands. Adults working in the school must model this practice.
- Administrators should post appropriate sanitary methods for the students to have a visual reference on how to stop the spread of germs.

Based on updated data from the CDC and DPI, the following guidelines are recommended for schools:

A student or employee who is diagnosed with COVID-19 must follow procedures as outlined by their county health department. If there are no county health procedures in place, the following guidance should be followed:

- If a staff or student is not vaccinated and tested positive for COVID or was exposed to someone who tested positive for COVID, and the staff or student has NOT HAD COVID within the past 90 days, the staff or student should quarantine for a minimum of 10 days. The result may be shortened to 7 days if the staff or student receives a negative COVID test result.
- If a staff or student is not vaccinated and was exposed to someone who tested positive for COVID, and the staff or student HAS HAD COVID within the past 90 days, the staff or student do not need to quarantine.
- If a staff or student is vaccinated against COVID they do not have to quarantine, but should get a COVID test within 3-5 days of exposure.

Masks

- Face masks are required on public school buses.
- The use of masks are at the discretion of the school.
- DPI and the CDC recommend that all students, teachers, and staff, regardless of vaccination status, wear face masks at school.
- Schools may consider in areas where there is student density and close contact in excess of 15 minutes that masks covering the nose and mouth be worn by adults and students.
- The Office of Catholic Schools will require masks to be worn if a school has over 10% of the total student body with a positive COVID 19 test. Masks will continue to be required until the school achieves an infection rate of less than 5%.
- If the COVID rate in your county is at Moderately High or greater, visitors and guests should not be allowed in your school. This includes volunteers. When the county rate is at Moderate or lower, visitors, volunteers and guests may return.

Schools are not required to take temperatures or ask health related questions for students as they enter the school building. Schools should consider implementing screening of students if COVID levels at the county level are in the High category.

It is the responsibility of the parent (guardian) to make certain a child is healthy and able to attend school. Parents should send their child to school if they have answered NO to all of the following questions:

- Have you been in close contact with a confirmed case of COVID-19?
- Have you had a fever in the last 48 hours?
- Have you had a new loss of taste or smell?
- Have you had muscle pain or chills?
- Have you had a new headache?
- Have you had nausea, vomiting or diarrhea?

Knights of Columbus

Knights of Columbus meets the first Tuesday of the month in the church basement from 6-9 p.m.

Service and charity are at the heart of the Knights. Founded to meet the needs of immigrants, refugees and families suffering from the death of a breadwinner, the Knights began as a small service organization and has grown into a worldwide financial and charitable organization.

Our local KCs has helped the school with generous donations throughout the years. Please support their fundraisers and consider joining!
