## How can you support the restoration and growth of our parish?

On December 28, 2020 our church suffered a major fire. The parish, diocese, pastorate, and the community wants and needs our church to be restored so future generations can continue to embrace their journey in faith.

### New Altar Furnishings

Honoring our past heritage as well as incorporating design elements from throughout the entire 147 year history of the parish to enhance the building our forefathers entrusted to us and to aid us all in our worship for generations to come!

**\$200,000**

### Bell Tower Upgrades

In 1913, our existing bells were installed but haven't been heard in several years and they need to be have their structures replaced to remain safe for generations to come, in addition to upgrades needed to play them electronically.

**\$45,000**

### Gathering Space

An inviting place to welcome everyone from all walks of life into Jesus's house, including a permanent baptistry. This space also includes a handicap lift to the basement and a handicapped accessible family restroom on the main level.

**\$75,000**

### Flooring & Finishes

High quality flooring that is more practical, durable and easier to maintain, as well as beautifully enhancing our space for generations to come. Upgrades to our painting to help "lift up our hearts" to God in our prayers.

**\$85,000**

### New Altar Statues

Prominent statues of St. John and the Sacred Heart of Jesus in the sanctuary hearkening to the 147 year history of our parish and helping all of us to draw deeper into the love of the Heart of Christ.

**\$30,000**

### Light & Sound Upgrade

Sound system upgrades to provide a "T-Coil" loop for people with hearing aids, as well as an engineered sound system designed to prevent echo. Upgraded LED lighting throughout to provide energy savings for years to come.

**\$65,000**

\$4.15 Million Total Project Cost - Insurance Claim Put Back + New Generational Design - \$200,000 Parish Funds = Fundraising Goal: \$500,000
