SECOND COLLECTIONS

October 31 – Bishop's Ministry Appeal

St. Luke Parish still has \$10,212 to raise to fulfill our 2021 Bishop's Ministry Appeal obligation. If we do not raise this amount, it will have to be taken from the parish's general fund. Our collections have been way down since COVID, so this would be a real hardship. Please consider making a one-time donation to help St. Luke clear our 2021 obligation to the Diocese so we can start 2022 off with a clean slate!

STORYTELLING IN A "GRAND STYLE..."

...that's how a seminary professor described the celebration of the liturgy. It's not a story to entertain or amuse. It's the story of Salvation...and not just hearing it, but LIVING

IT as a people of Faith! If you have a love for the liturgy and would like to help plan masses or have ideas on how to better celebrate the upcoming liturgical seasons please call Paul in the Parish Office, at 948-3450. Advent, Christmas, and even Lent will soon be here and we need to get started now!

DIVAS WOMEN'S MINISTRY ROSARY FOR PEACE

It seems like there is so much friction in the world. How can you combat evil, anxiety and fear? As St. Padre Pio has said the "Rosary is the most powerful weapon of our time." Therefore, the DIVAS Women's ministry is participating in a 54-day Rosary starting November 1, for peace in our country and will end on December 24. The first 27 days will be for petition and the second 27 days will be for thanksgiving.

Join us each day (men, women, families) on our St. Luke's DIVAS Facebook page at 7:00pm every night where several volunteers will lead the Rosary via livestream. This is a movement that is taking place throughout the country and supported by <http://www.queenofpeacemedia.com>. If you would like more information or would like to participate visit our DIVAS Facebook page.

REFLECTION ON TODAY'S GOSPEL

Love God and love your neighbor. This short and clear commandment expressed the whole of the law of God. It is so very simple and so very difficult.

Loving God has always been a bit difficult because God is not present the way that another person is present. This difference also has made loving God easier because we are never quite sure what it means to love God. We do know that we must prefer God and His word, His Scriptures to all other realities.

The invitation to love God and to love our neighbor becomes very concrete in the love of neighbor. It is not just any neighbor that we must love, but the neighbor who is right in front of us. The neighbor is not the person who lives next door but any human being who happens into our life. This neighbor is especially the person that we don't want to help, the person who may have injured us, the person who seems unworthy of our help, the person who will take more of our time than we want to give.

Always in the Gospel we find this teaching of the Lord Jesus: love those who don't love you; love those who are your enemies; love those who slap and injure you. We can allow our hearts to be changed today or we can continue as we are, with hearts hardened by doing things our own way. Jesus calls to us: Love God and love your neighbor. Listen to Him.
