Help them to imitate you in saying their own generous and unconditional "yes" to the ministry of love & divine election to which the Lord calls them. We ask all this in the name of our heavenly Father. Amen. St. Joseph pray for us.

Our attendance record for May & October of each year is sent to Bishop Brendan's office. These figures will be used to help determine the distribution of priests throughout the diocese and the number of Masses necessary to accommodate our congregations. The seating capacity of Sts. Peter & Paul church is 300. As you can see by the above attendance record our parish could easily fit in the church at one Mass! With the shortage of priests in view, it would be best for all concerned if commitment to our parish was strengthened.							

Generational Healing Seminar June 1 & 8
Presented by the Rev. Michael Rother, St. Phillip, El Campo

In many passages of the Old Testament, God speaks to his people of the blessings that flow upon the believer who follows His commandments, as well as the curses that descend upon the believer who refuses to keep God's commandments. What many fail to realize is that these blessings and curses apply not just to a believer but also to the believer's descendants. But in God's mercy, Jesus Christ is the remedy spoken of through the Prophet Jeremiah. Curses can manifest in our lives in various ways such as continuing financial distress, fertility troubles, addictions, health issues, or broken relationships. If we discern that we are operating under a curse, God's grace can free us. A Mass of Reparation along with prayers for Generational Healing is one of the best means to be set free from generational curses. A Mass of Reparation along with prayers for Generational Healing is one of the best means to be set free from generational curses.
