

MANDATORY CONFIRMATION SERVICE PROJECT FOR ALL STUDENTS PREPARING FOR CONFIRMATION

In past years, the Confirmation students have participated in “Harvest Sunday” a Naperville-wide food collection for West Suburban Community Pantry and becoming their biggest single donor each year. Due to the pandemic, we have not run this food drive since October 2019. Dwindling numbers of students are making our previous means of collection impractical. However, the need for food assistance in our communities is greater than ever.

The parish is holding a Service Day on **Saturday, October 24, 2026**. Each Confirmation student is asked/required to donate **a minimum of 5 bags of food** on that day. Students are encouraged to collect donations from neighbors and friends, or they are welcome to make the donation entirely on their own.

Last year, Confirmation students donated almost 4 tons of food!

Donations should be dropped off in the parking lot of the junior high building from 9:00 AM – Noon. Please check in with one of the adults helping at the site so your donation can be checked off.

“For I was hungry and you gave me food, I was thirsty and you gave me drink.”

Matthew 25:35-40
