NEW TAP DONATION MACHINE IN CHURCH

When you 'Tap' you now get the opportunity to put in your name, telephone number or email address. This in turn allows the parish to accumulate all donations from the tap device, and from family offering/Share/Common Fund or dues collections. Your information is only required once. Therefore, for all combined donations over €250 the parish can claim the tax back.

We encourage parishioners to choose a quiet day when the church is not busy to insert their contact details.
