

Scrip Tuition Reduction Program 2026-2027

What is Scrip?

Scrip is a term that means substitute money. Scrip is gift certificates used like cash provided by retailers who want to support non-profit organizations. Scrip is gift certificates for places you already shop such as grocery stores, gas stations, department stores, movie theaters, home improvement stores and restaurants. We are not asking you to buy anything you cannot use and there is no cost to you. If you buy a \$25 card, you pay only the \$25.

Want to save money on your tuition?

By utilizing Scrip for your regular expenses you can help your family save money. St. Stephen buys the scrip at a discount and sells it to our school families at face value. Each family has the opportunity to buy Scrip to help reduce their tuition for the following school year. If you participate in Scrip, you have until February 15, 2027 to earn a tuition reduction with 50% of your profit being given as a rebate/credit off of your tuition for the following school year **For example: For every \$100 Meijer card you buy (3% profit), you will accumulate \$1.50 towards your tuition for the 2027-2028 school year.**

The benefits for participating families are fantastic:

- Scrip gift cards are perfect for following a household budget.
- Families can shop both in-store or online with participating retailers.
- Scrip gift cards are just like using a credit/debit card, but without the fraud risk.
- Using Scrip gives you the cash price at the gas pump.
- Scrip program earnings are greater than credit card rewards (typically 3 – 15%).
