- Any student wishing to bring a private vehicle on the campus must purchase a vehicle permit from the Dean of Students and Attendance Registrar (money collected for the permits will be used by the ASB for student activities). When purchasing a permit, a student must complete a form listing car, license plates, driver's license, and insurance company.
- Open parking - Once a student has a permit, parking is on a first come, first served basis.
- All cars are to be properly parked in the school parking lot in the morning and left there until departure after school.
- No student is allowed to park in the Assumption parking lot. Cars may be towed at owner's expense. The student will also be subject to disciplinary action (insubordination).
- The speed limit for cars going in and out of the parking lot is 10 miles per hour. This rule is to be observed by all students driving a motor vehicle on school grounds.** Disciplinary action for violators is outlined under Disciplinary Policies.
- No other cars than those with a parking permit will be allowed to park on school grounds before, during or after school. Students should have parents or friends meet them on Telegraph Road or in the church parking lot.
- Each student is encouraged to make sure his/her vehicle is secure at all times. The school is not responsible for stolen items or vandalism to a vehicle when on school grounds. Any such incident should be reported immediately to the Dean of Students. Steps will be taken to assist in identifying those responsible. If a student has a "fender-bender" with another student vehicle, the matter should be handled as outlined by the Department of Motor Vehicles.

I will follow traffic laws and rules of Saint Bonaventure High School while driving my vehicle on SBHS campus.
