I have not yet received official word from the Diocesan Covid-19 task force, but according to press releases from the IDPH, Illinois should enter Phase 5, June 11, 2021! I will keep you updated through the webpage and Facebook post if the present Diocesan Policies change. I believe all of us are feeling the fatigue of more than a year of battling this pandemic. Thank you to our Parish Family for being so understanding. You have embraced an upset world with the zeal and vigor of the first Apostles. A very wise man and mentor, Fr. John Grote, had some great wisdom I want to share with you. "The human Church on earth may be shaken to its core, but God's Church is everlasting. We experience that wisdom today as we celebrate the Feast of Corpus Christi (The Body and Blood of our Lord Jesus Christ)

"It is three feasts in one: the feast of the Eucharistic sacrifice, the feast of the Sacrament of the Eucharist, and the feast of the Real Presence of Jesus in this Sacrament. Corpus Christi is a doctrinal feast established for three purposes: 1) to give God collective thanks for Christ's abiding presence with us in the Eucharist and to honor Him there; 2) to instruct the people in the Mystery, Faith, and devotion surrounding the Eucharist, and 3) to teach us to appreciate and make use of the great gift of the Holy Eucharist, both as a Sacrament and as a sacrifice.) In the three-year cycle of the Sunday liturgy, there is a different theme each year for this Feast of the Body and Blood of Christ. In Cycle A, the theme is the Eucharist as our food and drink; in Cycle B, the emphasis is on the Eucharist as the sign of the covenant; and in Cycle C, the theme focuses on the priesthood of Jesus. Although we celebrate the institution of the Holy Eucharist on Holy Thursday, the Church wants to emphasize its importance by a special feast, formerly called "Corpus Christi." It was Pope Urban IV who first extended the feast to the universal Church. This is one of the few feasts left in which we observe a procession and a sung "Sequence."

Blessings and Peace, Fr. Steve

Take. Eat. Drink. Oh, some of us still long to gather with the Church on Sunday to do Eucharist, to give thanks. Some of us still yearn to come to Mass and share in Communion. We long to both eat and drink the Lord Jesus Christ. This holy dining tells us who and whose we are. Soon, pray.

- If I can come to the church on Sunday, for what do I give thanks?
- How can I help those who still cannot come because of Covid-19 mitigations?
- If I cannot come to the church on Sunday, how will I still choose to give thanks?

RESPECT LIFE

“Christ entered once and for all into the sanctuary, not with the blood of goats and calves, but with His own blood, thus obtaining eternal redemption.” In the Second Reading to the Hebrews, 9:11-15, before Christ’s death and resurrection, only the high priest was allowed to enter the Holy of Holies to offer sin sacrifices for himself and for the people. Yom Kippur, or the Day of Atonement was considered one of the most important days of early Judaism. But today, we know that Jesus’ sacrifice was so much greater and perfect. Christ is the perfect high priest who passed into the heavenly tabernacle. Christ is the perfect sacrifice, who with His own body and blood has redeemed the world. **Learn, Act, Connect and Pray**—Pope Francis calls us to The Eucharist, which, “communicates the Lord’s love for us: a love so great that it nourishes us with himself; a freely given love always available to everyone who hungers.” We have been fed through Christ’s self-gift. We must respond with thanks, in works of charity and action to defend the dignity of all human life. You are invited to join the Diocesan Racial Justice and Equity Committee to pray “A Requiem for Black Children of God” composed by Bishop Ferd Cheri on Sunday June 13 at 2 pm at St. Augustine of Hippo in East St. Louis. All are welcome. The prayer service will be livestreamed on St. Augustine’s Facebook page.

VOCATIONS CORNER

Today we celebrate the gift of Eucharist. This gift is what truly defines us as Catholics. We rejoice that Jesus gave His Body and Blood for our redemption. This is the remembrance we commemorate during each Liturgy. This is only possible through the Holy Sacrifice of the Mass which is celebrated by a priest. We are challenged to pray for more priests; we are challenged to encourage our youth to consider a calling to Holy Orders. Pose the question: "Have you ever considered being a priest?"

He said his plans this summer were to get plenty "cat naps," and to take in some sun. He is off to a good start. Sister Gracie's update...I did my patrol of the Little Cat's class rooms and I am happy to announce not one, scampering critter found. I did find a few crickets, a tasty snack for Gracie. I will keep a good eye on each classroom until the Little Cats return. I really miss them playing in the outside. Little Cats like to laugh, scream, and jump around. To much exercise for me. Church Women United, of which our parish is a member, conducts an annual campaign called "Blanket Sunday". Money raised is used in various ways such as providing blankets during disasters or just keeping the cold out as explained in the brochure in today's bulletin.

Due to the pandemic and limited church services last year, no collection was done. I am asking that you donate what you can to this very worthwhile endeavor. You may drop your donation in the designated basket at the entrance of the church the last weekend of May; drop it by or mail to the Church office; or it can be done electronically. (Call the office for instructions if necessary). If issuing a check, please make it payable to St. Mary Church. With your contribution, we are confident that our parish will help many. ST. MARY SCHOOL OPENING FOR PRE-K INSTRUCTOR

St. Mary School, Centralia is seeking a Teacher for our 3yr - 4yr old Pre-School Program. This position will provide interactive learning and memorable experiences. If you are a highly motivated teacher, and would like to be a part of a great team, please submit your resume to Mrs. Maria Pryor, Principal at St. Mary School, 424 E. Broadway, Centralia, IL 62801. Applicants should possess an Early Childhood Certification. For questions, please call 618-532-3473

Dear Friends,

Years ago I listened to an audio tape of a retreat for priests given by Father Melvin Blanchette. Father Blanchette was making a point about how some priests are driven by their calendars; fulfilling appointments for baptism prep, marriage prep, RCIA, etc. Father Blanchette then asked the priests: "When you go home after this retreat, flip through your calendars and ask yourself this: Am I keeping my appointment with life?" That question spoke to me from the instant I first heard it. Am I keeping my appointment with life?

There can be many events and activities that fill our calendars; some are very important, others less so. But if we are very honest, though our calendars are packed, we may be missing our appointment with life itself. By that I mean that the people and relationships that bring joy and fulfillment to our lives sometimes are displaced by less significant events or activities. What seems so urgent can often displace what is truly important. Take for example prayer. Do I pray each day? Do I give my time and energy to developing a loving communion with God who has created me, cherishes me and sustains me at every moment?

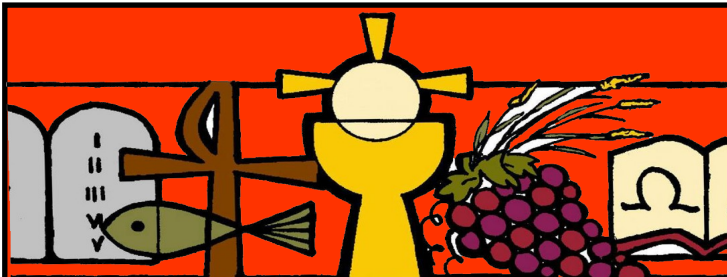

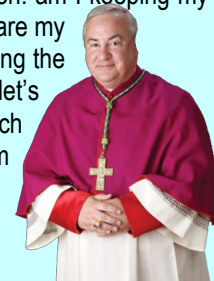

The month of October is Respect Life month. We recognize more deeply that human life is a gift from God and that we are made in the image of God. All human life has an inherent dignity, beauty and value because each human being is created by God. God has given us the gift of life; we should take time to enjoy the gift by building up our relationship with God, with family & friends and with the poor and vulnerable.

One of the ways we can express our gratitude to God for the gift of our lives is to be advocates for the dignity of each person's life. When I think of how many thousands of children have been aborted in our country in my lifetime, I have to ask myself: what have I done with my life to assist women in crisis pregnancies choose life for their children? Or what have I done with my life to be an advocate for the child waiting to be born?

When I think of the poor, the homeless and the elderly living alone or in the nursing homes, I have to ask myself: what have I done with my life to help people who are often overlooked, forgotten or neglected? Am I so busy with the events on my calendar that I have little or no time for those who need my love and effective solidarity at this moment?

I encourage each of us to consider the question: am I keeping my appointment with life? Can I reconsider how I share my love, time and attention and give priority to helping the lives of the vulnerable? Life is God's gift to us; let's show our appreciation for the gift by making each month a time of respecting all human life from conception to natural death.

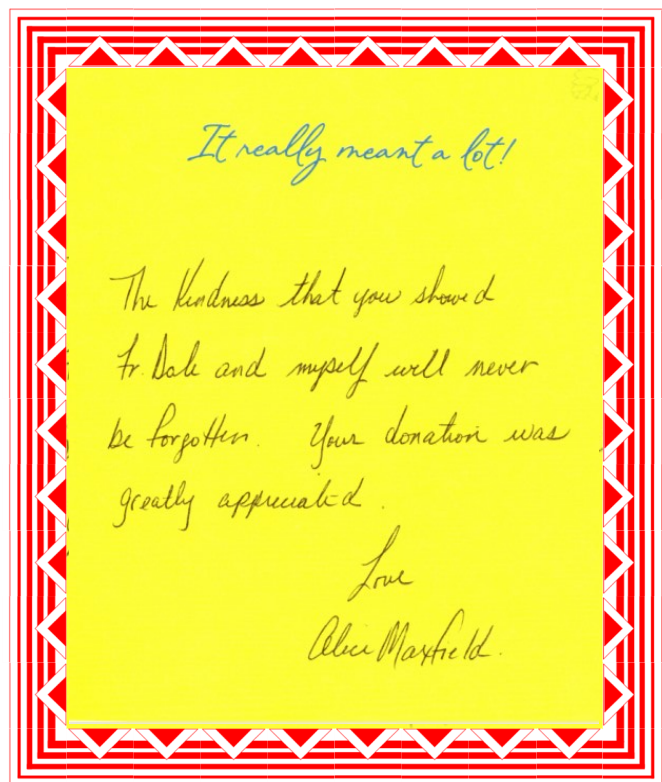

In Christ,
Bishop Michael McGovern
