MASS INTENTIONS

You can remember your departed loved ones through a Mass Intention. In his encyclical *Mirae caritatis* (1902), Pope Leo XIII situated the offering of Mass for others in the true context of our concern for others, the Communion of Saints. Please contact the Parish Office 618-532-6291

Please call Mary Miller, if you have a prayer intention needing to be added to the prayer chain, phone 618-292-1229. The prayer chain also needs more prayer warriors if you can volunteer.

Prayer Intentions

For those who are sick, homebound, in the hospital or suffering in any way, especially: **Blain Loll, Robin Cimera, Waylon Vick, Natasha Lang, Brian "Gooter" Gurthrie, Ruby Stratmann, Deb Steward, Brian Logsdon, Mark Schwartz, The suffering of Ukraine and all Covid19 patients.**

For those in Care Centers, and Specialized Living Centers... May they stay safe and healthy.

SIXTH SUNDAY OF EASTER MAY 14, 2023

Today, I want to share my thoughts on end of life decisions. Most if not all over the age of sixty have prepared their last will and testament, assigned a guardian, and have on file end of life decisions. It's not an easy topic to discuss but necessary. It's important that those left behind know our intentions. When making these plans do you discuss with your family, your spiritual needs? Since Covid-19, the burial process has changed. Before Covid-19, it was accustomed to have visitation (wake) at the Funeral Home, followed by Mass at the Church. The pandemic changed all that, it simplified the process, because of convenience and needs. Many of those customs have continued forward.

I am not choosing sides on what is right or wrong, but as the Pastor of St. Mary and St. Lawrence Parishes, the spiritual needs of the people I shepherd doesn't end with their death. It is said, "the priest, leads the soul home to God." That is what I attempt to do. Post Covid-19, there is a trend, among survivors, to speed along the process of burial. Unfortunately, the published obituaries from our local funeral homes do not include the words, "fortified with the Sacraments of Holy Mother Church," but I wish they did. It is an outward sign, as is a sacrament identifying the deceased as receiving the sacraments and graces that go with them.

Today, I ask you, when making plans for end of life decisions, not to forget your spiritual needs. Discuss with your family members about your desires.

- Cremation or not?
- Do you want a visitation?
- The Holy Rosary recited at your wake?
- A prayer service at your visitation?
- Finally, a Requiem (Mass for the Dead)?

I know, this is a sensitive subject but it needs to be discussed. Make sure your family knows your desires after you leave these world. As a devoted Catholic it is your right and privilege.

RESPECT LIFE

A Prayer for Blessing a child in the womb

God, author of all life, bless, we pray, this unborn child; give constant protection and grant a healthy birth that is the sign of our rebirth one day into the eternal rejoicing of heaven. Lord, who have brought to this woman the wondrous joy of motherhood, grant her comfort in all anxiety and make her determined to lead her child along the ways of salvation.

For the father:

Lord of the ages, who have singled out this man to know the grace and pride of fatherhood, grant him courage in this new responsibility, and make him an example of justice and truth for this child.

THE SIXTH
SUNDAY OF

EASTER

6th Sunday of Easter

"For it is better to suffer for doing good, if that be God's will, than for doing evil." 1 PETER 3:17

The old line says "if you want to make God laugh, tell him your plans." Many of us are diligent in our planning and making sure things are progressing smoothly. Then disaster strikes, we don't get the result we anticipated or an unforeseen problem arises. Many times we may respond negatively and ask, "Why me? I did everything right!" Here's the thing – adversity humbles us and reminds us of our dependence on God and not on our own self-reliance. Rest assured, God has a better plan in store for you.

The National Newspaper, **FELINIE SENTINAL**, had a sad story from Disneyland. **Nutmeg** who hunted for mice and critters at night and hung out with annual pass-holders at a members-only club by day has died after years as a fan-favorite. Just like my cousin Felix, he patrolled Disney California Adventure for rodents and visited die-hard Disneylanders at the Magic Key Terrace. "Nutmeg was one of Disneyland Resort's feral cats, tasked with keeping the critter population down around the parks and ensuring the only rodents guests see are Mickey and Minnie Mouse," I guess there is an opening? Something Sister Gracie might ponder, but I am happy at Little Cat's School. RIP, Nutmeg, Love Sister Gracie

The letter K day four our alphabet countdown! Kindergarten spent some time outside this afternoon to learn how to fly kites. Father Steve joined for a little bit as well!

We are happy to announce that we received a \$7,000 grant from Bayer Fund. This grant will not only provide support to our organization, but also the community we serve by allowing us to produce graduates who know how to operate up-to-date technology to further their education. With the funds allotted, we were able to purchase a classroom set of ClassVR and an ambient weather system. Our newly implemented STEM room benefits all students in grades PK-8 and allows them an opportunity to use different parts of their brains through STEM. Each class attends STEM once per week. We are appreciative of this grant and that we were chosen as a recipient. Thank you, Bayer.

Congratulations to Carson for winning the Regional Championship in both the 1600 & 800 M today! He will be competing at State on May 13th.

The Pre-K class has spent the last few weeks watching their caterpillars turn into butterflies. Last Friday, they had a butterfly release to introduce their butterflies into nature.

Congratulations to our graduates, Rylie, Thomas, and Devin, for being elected to the May Fete court. You continue to make us proud!
