Sycamore Education is a secure, online community used by schools around the world. A connection to the internet is all that is required to access school news, event calendar, and more. After receiving your Family School ID, Username, and Password you can begin accessing your student's information. To login, simply go to www.sycamoreschool.com, click on login, and enter your account information. Our school ID is 3869.

Access Sycamore on Mobile Devices

Sycamore's new Web App at sycamore.school is a Progressive Web App (PWA) that replaces the traditional mobile app. PWAs are more efficient, using less storage and memory while being easily accessible whenever needed. For an even better experience, Sycamore recommends switching to the new Web Application. The Web App provides the same features as the mobile app, along with new features, all in a more efficient and user-friendly interface.
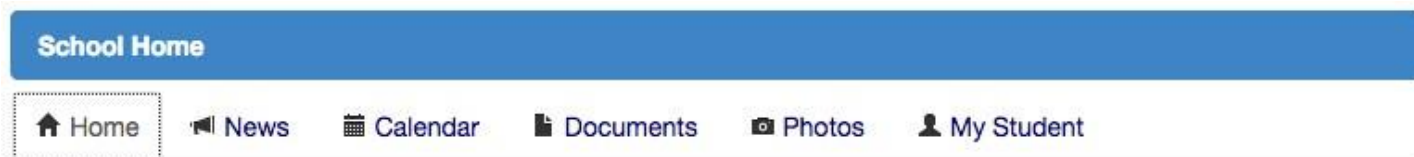

To access the Web App:

- On Android: Open Chrome and go to sycamore.school. Tap the triple dots icon and select "Add to Home Screen."

- On iOS/Apple: Open Safari and go to sycamore.school. Tap the share icon and select "Add to Home Screen."

Enjoy the enhanced convenience and updated interface of the Web App!
