WEEKLY UPDATES

All School Weekly Updates

Spring Picture Day:

Next Thursday, April 16, is Spring Picture Day. Only students who bring an order form and payment will have spring photos taken. All 8th grade students will have their graduation photo taken. For the photos, some boys wear a shirt and tie or polo underneath their gown, while others just wear their normal school uniform. Girls may wear a nice top if they would like. There is no requirement, but simply your child's preference. ONLY students who are wearing something "nice" or "formal", such as a dress shirt or nice top, will be allowed to be out of uniform. Everyone else is expected to be in normal school uniform.

Heritage Day:

We're looking forward to **Heritage Day** this **Friday, April 17!** Here are a few reminders:

- Parking is available in the school lot. A shuttle bus will also run from our main church on **Frankfort Parkway** for those who are able to park there.
- The event will follow an **open house format**, so guests are welcome to stay and enjoy activities at their leisure.

If you have registered but did not indicate your guests' arrival time, please take a moment to complete [this short survey](#)

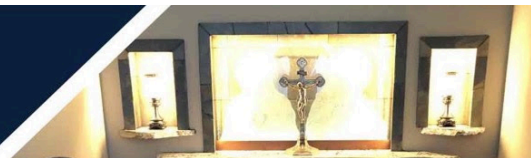

We look forward to celebrating with you!
