St. Joseph - Investing In our Future

We have asked parishioners to share their words of support for our *Investing In Our Future* Campaign to fund our proposed building renovations. The statement below was shared by **Dan Weisensel**, a member of the Campaign Team.

Why is St. Joseph Parish an important part of your life? How has the parish helped you and your family grow in faith?

The Parish family is an extension of my family and of God's.

Share your enthusiasm for the proposed building project. Why is the building project important to the parish?

The ability for everyone to access areas.

Share any additional thoughts as to why you will be generous in your financial support of our Building Fund campaign.

I have the ability to provide a better experience for more people. What is a better use of my resources!
