WALKING WITH MOMS IN NEED

The Walking with Moms in Need's featured resource for the month of May is Rachel's Vineyard:

<https://www.rachelsvineyardtucson.org/>.

Rachel's Vineyard is a safe place to renew, rebuild, and redeem hearts broken by abortion. They offer weekend retreats in Tucson to provide a supportive, confidential, and a non-judgmental environment where women and men can express, release, and reconcile painful post-abortion emotions to begin the process of restoration, renewal, and healing. They offer hope and healing to thousands of post-abortion women and the men affected each year.

Married couples, mothers, fathers, grandparents, and siblings of aborted children, as well as persons who have been involved in the abortion industry, have come to Rachel's Vineyard in search of peace and inner healing. The weekend is a lot of work but yields a fruitful harvest for all who are willing to labor there.

Rachel's Vineyard is an approved resource for post-abortion healing by the National Conference of Catholic Bishops. They are a ministry of Priests for Life.
