Thanksgiving Prayer

Lord, we thank you for the goodness of our people and for the spirit of justice that fills this nation. We thank you for the beauty and fullness of the land and the challenge of the cities. We thank you for our work and our rest, for one another, and for our homes. We thank you, Lord: accept our thanksgiving on this day. We pray and give thanks through Jesus Christ our Lord. Amen.

GIVE THANKS

All too often we forget to express appreciation to those in service-oriented jobs, including priests, sisters and brothers. We forget because we think, "It's their *job* to help." Priests and religious aren't superhuman. They need genuine support from those they serve. Let them know how you feel.

The Archdiocese of Boston joins the United Nations in recognizing November 18 as the World Day for the Prevention of and Healing from Child Sexual Exploitation, Abuse, and Violence.

Child abuse is a far too frequent occurrence in our society. The numbers are staggering, and the lifelong impact can be profound. We must do all that is possible to intervene - preventing abuse, interrupting and reporting it when it is happening, and helping heal those who have been abused. As a diocese, we do this by screening and training our clergy, volunteers, and employees, and by training our youth how to recognize and respond to risks and get help when something is wrong. We provide targeted pastoral care for those who were abused by clergy or other representatives within our church to assist them with healing. We ask everyone to join these efforts through prayer, kind and compassionate outreach to those who are impacted by abuse, and full participation in our abuse prevention efforts. To learn more about how you can help, please contact the Office of Pastoral Support and Child Protection at 617-746-5995 or go to www.BostonCatholic.org

Did You Know... Child abuse can occur in every culture and every socio-economic demographic. Peer reviewed research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home. You can protect children by respecting the safe environment protocols established at youth serving organizations. More importantly, you can implement many of these protocols in your home and be every observant and vigilant in all public and private settings.

Did you know... Hope is rising. Throughout scripture there is evidence that we are called to be ambassadors of hope and healing. Did you know children of abuse long to hear this message of hope. Victims of crime, their family and loved ones need to know that their voices are heard. Organizations throughout the nation are striving to share the message that He has risen and there is hope. Each of us has a unique ability to support individuals who are hurting, to promote healthy relationships, and to build communities that are safe from those who may want to do harm. How has He called you to be an ambassador of hope and healing?

Pietà, an ongoing support group for bereaved parents, will be holding its Annual Lighting Service on Sunday, November 26th, at 2:00 PM at Blessed Sacrament Church, 10 Diamond St., Walpole MA. Parents who have lost a child of any age, no matter how long ago, are welcome to come together in prayer, song, and support. Each parent will light a candle in memory of their child. Please plan to arrive early to receive your child's name card and candle. Everyone is welcome. For further information, please call: Pauline Medeiros 508-359-2953 or Janet McLaughlin 508-272-5415.

Consider a Priestly Call...Take a risk for God! Enter the mission field where bold action meets lasting outcomes. Over 750 priest alumni discerned a sacred call later in life.
