UGANDA FUND 2022 BULLETIN REPORT

A Special 'Thank You' to Sacred Heart Parish and School

Due to your generosity, we have raised nearly \$25,000 over the past year for Joseph Kaggwa Primary and Nursery School in the village of Nakaseeta in Uganda, Africa. These funds have been used to build an additional classroom structure to accommodate the increase in student enrollment from 110 to 320. We have also provided desks, tables, chairs, sports equipment, and a computer and printer for the school. Joseph Kaggwa is a Catholic school directed by our friend Fr. Paul Keeya and his father, a lifelong educator, in a village where there was no school previously. Thank you also to Fr. Bill for graciously welcoming Fr. Paul Keeya to our parish and for supporting the receiving of funds for the school in Uganda!

Please join us inside the church this coming Wednesday, June 22, for our special screening 7-8:30 pm! We will be showing a video of our most recent trip to Uganda in February with representatives from the school and RE program.

Uganda Fund Financial Report 2021/2022

Date	Income		Expenses	
Jun-21	\$ 4,457	1st SH Parish Fundraiser
