WHY DOES GOD WANT THERE TO BE A CHURCH?
God wills the Church because he wants to redeem us, not individually, but together. He wants to make all mankind his people.
No one gets to heaven by the a-social route. Someone who thinks only about himself and the salvation of his own soul is living a-socially. That is impossible both in heaven and on earth. God himself is not a-social; he is not a solitary, self-sufficient being. The Triune God in himself is “social”, a communion, an eternal exchange of love. Patterned after God, man also is designed for relationship, exchange, sharing, and love. We are responsible for one another.
