

St. Paul's Athletic Committee

2024 SPAC 8th Grade Scholarship Application

Name _____

Address _____

City _____ State _____ Zip _____

Telephone Number _____

DEADLINE: All applications and supporting documentation must be received by no later than Friday, May 24th, 2023 to be considered.

Purpose of Scholarship

The Committee feels that an important part of the St. Paul's Parish Athletic program is to recognize those students who embody the ideals that we are looking to foster in our sports program. It is the intention that selected students will serve as examples and role models to their peers in areas outside of athletics as well.

Each year the Committee can recognize one male and/or one female graduating 8th grade St. Paul's Athletic Committee sport participant for accomplishment in the areas of scholarship, spirituality and service

Process

All St. Paul's Parish 8th grade students who participated in an approved SPAC athletic team/clinic during their 6th through 8th grade years are eligible to apply in accordance with stated requirements.

The committee will attempt to select one male and one female applicant each year. All applications will be evaluated by a subcommittee of SPAC that will employ a blind selection system based on a point system in an effort to come to an objective selection. Each selected candidate must meet certain baseline criteria and have no outstanding issues with SPAC (i.e. unpaid fees, incomplete documentation, returned all equipment/uniforms) in order to be eligible for the award. The award will be \$500 cash. All awards, if any, will be awarded at the 8th Grade Awards Ceremony.

All decisions of the SPAC Selection Committee are considered final.

1. ***Athletic Participation*** – Please list membership on any ***SPAC approved sport teams and clinics (one day basketball clinics held in October do not count)*** in Grades 6 - 8. ***Additional credit will be given for SPAC involvement in lower grades so please include that as well.*** This information will be verified against SPAC registration records. Membership must be maintained for the full season in order to count. If any athlete was hurt and could not complete a season, please list and explain for possible credit. ***IMPORTANT – Spring '24 sport members*** – you must be completely registered by no later than the first practice of the season or April 15, 2024 whichever is earlier and be actively participating on the team up to the banquet in order for this sport to count.
