

The Man of the Shroud

E X H I B I T

"One of the most perplexing enigmas of modern times"

—National Geographic

"A distinguished relic linked to the mystery of our redemption."

—Blessed John Paul II

"An icon written with the blood of a whipped man, crowned with thorns, crucified and pierced on his right side."

—Pope-Emeritus Benedict XVI

The Shroud of Turin has long been venerated by the faithful and is believed by many to be the burial cloth of Jesus of Nazareth. The Shroud is one of the most scientifically studied religious icons in history. As science has progressed, so has the speculation on how the image of the crucified man of the Shroud was made.

After decades of exhaustive and medical, historical and scientific research, the Center for the Study of the Passion of the Christ and the Holy Shroud has developed a moving and informative mobile exhibit on the Shroud of Turin. The centerpiece is a full length canvas replica of the Shroud made by the *Shroud of Turin Education and Research Association, Inc.* In addition, the mobile exhibit contains a large crucified corpus showing the wounds of Christ corresponding to the passion narrative in the Gospel accounts and the wounds shown on the Shroud. The exhibit contains over 31 pop-up display banners detailing the history and science of the Shroud.

The Conventual Franciscan Friars of the National Shrine of St. Maximilian Kolbe at Marytown in Libertyville, IL can make this important mobile exhibit and evangelization tool available to your Parish or Knights of Columbus council.

If you are interested in hosting this important, informative and inspiring exhibit at your Parish, Catholic School or a Knights Council for exhibition, please contact **Rick Hobbs**, IL KofC Coordinator for the Shroud Exhibit at 312-303-0303 or by e-mail at pgk3674@sbcglobal.net
