Friday Nights During Lent -
4:30 - 7:30 p.m.
Come and support the parish!

"And he told them this parable: There once was a person who had a fig tree planted in his orchard, and when he came in search of fruit on it but found none, he said to the gardener.... 'cut it down.' He said to him in reply 'Sir, leave it for this year also, and I shall cultivate the ground around it and fertilize it; it may bear fruit in the future. If not, you can cut it down.'" Luke 13:6-9

As the gardener cultivated the fig tree, stewards are also called to cultivate the talents of one another. The truth is that talents not used are lost to us and others.

Adult Formation Opportunity

Join Fr. Brandon as we explore Word on Fire's The Sacraments.

The class will meet on 3/29, 4/5, 4/19, and 4/26 at 6:15pm in Gardiner Hall. Participants are encouraged to purchase the workbook by using this link: [The Sacraments - Study Guide – Word on Fire.](#)

The great sacraments of the Church—Baptism, Confirmation, Eucharist, Reconciliation, Anointing of the Sick, Matrimony, and Holy Orders—have endured for thousands of years and structured countless lives. In this program, Bishop Barron looks at the great sacraments in all their theological depth, effects, and pastoral application. The Sacraments will help you understand these signs and channels of grace and discover the secret behind their persistence through the centuries.

Breaking Open God's Word: Third Sunday of Lent

At first blush, Lent would seem to be a season more suited for winter than spring. It's a penitential season, a season when we deny our desires, a season that leads to our Lord's death, and to the inevitable contemplation of our own. But it's also the season in which we are given the opportunity for renewal, a season when fertilizer (Greek *koprian*, "manure"), like ashes, is used to coax life from the earth. It is a season of grace that reminds us to bear the fruit that has failed to bloom for the last three months or the last three years or an entire lifetime, knowing that these forty days culminate in the celebration of the greatest rebirth into new life. On this first day of spring, may we resolve to blossom as the gardener envisions the fig tree will: growth out of manure, fruit out of barrenness, life out of death.
