SORROWFUL MYSTERIES OF THE ROSARY

First Mystery: The cup and the cross symbolize the Agony of Christ in the Garden.

Second Mystery: A pillar and the whips representing the Scourging at the Pillar are a very sobering reminder of the love of Jesus.

Third Mystery: The thorns and rays of diving light show the suffering inflicted on God-Man by a savage prank of the soldiers.

Fourth Mystery: The angled cross is slanted as it would be when carried by our Lord. An open book represents charity given to us by Christ and the anchor implies faith, the faith that we must have in a crucified Saviour

Fifth Mystery: The Crucifixion and Death of Our Lord on the Cross is represented by the three crosses on Mount Calvary, with the center cross bearing the sign INRI, which stands for Jesus of Nazareth King of the Jews.

WHY DO WE DO THAT?

Catholic Life Explained:

Question:

What can I do to help our family practice our faith each day?

Answer:

Some families practice their religion together as just another event on their schedule: go to church, observe Lent, help at the parish picnic, go to a meeting, volunteer time, make your confession, use your envelope... But the focus needs to be on who we are—God's people, in relationship with him, loved, forgiven, and redeemed, and called to live and proclaim the Gospel. Our awareness of God's presence and our sense of mission are supported by the daily rituals, celebrations, and traditions that help us stay focused. Sharing our faith strengthens us and clarifies the beliefs and values of Christian living.

Daily family practices include time for prayer—before meals, before bed, before important meetings and activities. Attend Sunday Mass together and discuss the homily afterward. Create family celebrations for holy days and holidays. Make religion a regular part of your discussions. Include others, especially the elderly and the less fortunate, in your activities and charitable efforts. By applying the virtues of faith, hope, and love to each day, faith becomes part of who your family is. It influences how you act towards others, what you value, and how mindful of God you are. Faith is the leaven of life that helps all of us rise to our calling and dignity as God's people.

SCHOOL FIELD TRIP SPONSORS NEEDED!

We need the parishioners help! The price of buses
has increased exponentially in the last couple of
years and with that, the cost for our All Saints
Academy students to go on field trips. Our Parent
Association has offered to help offset the cost of the
field trip for our 1st-3rd graders but the cost is still
expensive for our families. Would YOU be willing to
sponsor a student by donating \$20? If so, please drop
off cash or checks (made out to All Saints Academy)
to the rectory marked FIELD TRIP. There will be
envelopes on the desk in the gathering space. Please
drop any donations in the door slot of the rectory. We
thank you for your thoughtfulness!

ST. FERDINAND PARISH

TODAY. TOMORROW. FOREVER

Principal's Message

One of the virtues that our students are regularly working on is RESPECT. Showing RESPECT includes following directions/rules/laws/expectations, staying calm when we are upset or frustrated, apologizing when we make mistakes, and being polite and using "clean" language at all times. Our students are often given examples and "act out" ways to show these things in order to practice how to show respect. As adults and role models, we, too, are called to show and act with respect to not only our children, spouse, family & friends, but also the people in the store or restaurant that don't get our orders right, the ref at our kids' games that we don't agree with, or those in the cars around us that are just not driving "well" today. How well do we show RESPECT to others?

Blessings,
Mrs. Anna Davis

Bethany was originally diagnosed with stage 3 Breast cancer in 2011. Her boys Gabriel (a 2019 Hazelwood west graduate) and Nathan (a Junior at Hazelwood West) were 9 and 5 years old at the time. After a year of surgeries and treatment she was Cancer free and in remission for 10 years. In June of 2021 she found out that the cancer had returned aggressively. Spreading to her lymph nodes, ribs and spine. Her diagnosis was stage 4 Metastatic Breast Cancer. There is unfortunately no cure for Metastatic Breast cancer. After her first line of chemotherapy stopped working after 6 months, her next option was a clinical trial at WashU. She has been undergoing immunotherapy and 2 new chemotherapies weekly for the last 9 months and is responding well. She remains strong and hopeful for a long future with her family that she loves and that love her very much.
