### Questions of the Week May 23, 2021

***We have been given the breath of God - the gift of the Holy Spirit.***

**Question for Children:** When have you heard your inner voice or conscience guiding you to do what is right?

**Question for Youth:** When have you felt the Holy Spirit in your life?

**Question for Adults:** Share about times when you felt the power of the Spirit, giving you the right words, giving you insight into a dilemma, or in other ways.

## Shepherd's Call

What a powerhouse as the Holy Spirit descends this weekend! The sound of a driving wind, the tongues of flame, the bold proclamation of the mighty acts of God drew the attention of the inhabitants of Jerusalem that day. That same Holy Spirit is eager to act in the Church of our own day. It prompts us to step out in faith. One way is through our Living Stones Ministry Appeal. St. Paul writes in our second reading: "A body is one though it has many parts" and "There are different kinds of spiritual gifts but the same spirit." Our Church is one; the ministry appeal is an invitation to respond according to the gifts that you have been given. This weekend we hear about our pastoral region's Outreach Committee.

I begin to think now and then about the opening of Spooky Nook. Will the many visitors see that Christ is loved in our community? Will they know how to find our churches for Mass – for those who are looking. While not for my undertaking, I wonder about renovating sections of old houses to list on Air B&B or opening a bike rental – red bike rental or otherwise.

The Archdiocese has asked me to submit some input to them this week regarding the *Beacons of Light* planning process. I met with staff and with the Beacons of Light committee for our region to include their input as well. Find more information at [www.catholicaoc.org/beacons](http://www.catholicaoc.org/beacons).

It is nearing the end of the school year. Class remained in person all year (except for a week of online learning after the Christmas holiday with families). Our families' vigilance paid off. I am celebrating graduation Masses for St. Peter in Chains School and St. Joseph Consolidated School this week.

Come, Holy Spirit, Come!

### Living Stones

#### Outreach / Family Promise

The Pastoral Region's Outreach Committee is like a bricklayer, helping the Living Stones of our faith community be of service to our world, so that everyone can live out the two greatest commandments - to love God and love our neighbors. We do this by selecting priorities every two years. We offer instruction and hands-on activities based on Scripture and the social doctrine of the Church, along with guidance from our Archbishop, the U.S. Bishops and the Holy Father.

Our priorities currently are building relationships in the areas of race, immigration, narcotics addiction, pandemic issues, such as mental health, and Care for Creation. You can help us build a better world by joining the Outreach team. Call Pam Long at 513-260-9406, or email [pandblong@aol.com](mailto:pandblong@aol.com).
