4TH SUNDAY OF LENT

For everyone who does wicked things hates the light and does not come toward the light, so that his works might not be exposed. But whoever lives the truth comes to the light, so that his works may be clearly seen as done in God. - Jn 3:20-21

St. Catherine Events/News

St. Catherine of Siena School

Please join us on Monday, March 25th at 6pm as we welcome Max Stossel and Social Awakening to Victoria Hall at St. Catherine School.

Max Stossel is an award-winning artist, the Founder of Social Awakening: an organization dedicated to helping young people survive and thrive in the modern world, and the Youth & Education Advisor for the Center for Humane Technology, a group working to realign technology with humanity (as featured in The Social Dilemma).

Before working in this field, Max was a media strategist with an extensive background in social media. He ran social media for big brands, and later worked for a social media company where he designed some notifications to distract people.

He has spent the past seven years speaking with 100,000+ students, parents, and educators around the world about social media's impact on our lives, and creating resources to help manage that impact. Max provides a unique and much-needed perspective on the role of technology in our homes, schools, and in our society.

Max will illustrate some of the specific ways technology is designed to be addictive & distracting, highlight how that's impacting our kids' minds, and give recommendations on how to address some of the challenges you and your family are facing. This presentation concludes with open space to discuss what's working and not working in our households.

Please register to attend this presentation by email Amanda Lucero in the school office at alucero@stcatherineschool.net. This presentation is for parents only. Students in 5th-8th grade will attend a presentation with Max earlier in the school day.

We look forward to all of you joining us!

Prayer for Patience

Blessed Mary, Mother of Consolation, pray with me for the virtue of patience. There are so many times when my lack of patience keeps me from becoming the kind of person God wants me to be.

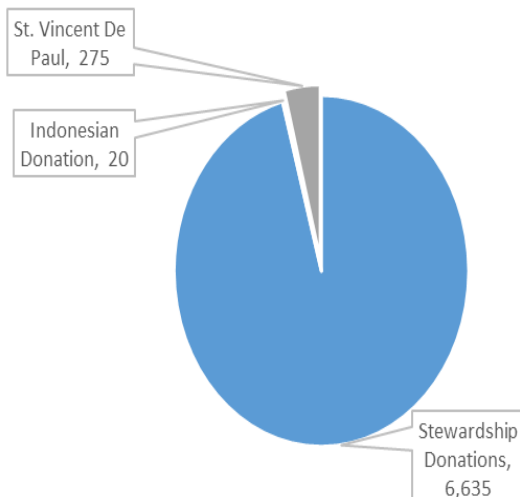

Guide my thoughts to you and the example we have in your own life. Help me to become patient, as you were patient. Through your guidance, may I become more accepting of others around me. Assist me to welcome difficult times with a patient heart.

May I be patient, Mary, as was your beloved husband, Joseph. His quiet acceptance of the will of Our Loving Father should be an example for me always. His patience was most wonderful in the eyes of God.

Pray for me, dear Mother of God, that I will allow the Father to come into my heart and help me grow in patience. Amen.
