Stewardship Drive 2022

Each of us is blessed by God more than we can imagine. Our very existence is a gift from God. Each breath we take and every beat of our hearts are gifts. All of our talents and abilities are given to us by God. Every night hundreds of things have to go right in our bodies in order for us to wake up in the morning. All of this, the entire universe in fact, is held together in God's Providence. Since God is always giving us these gifts, most of us don't think of them as gifts.

When we stop to consider it, the magnitude of God's gifts to each of us is staggering. To say that gratitude is an appropriate response seems woefully inadequate. How can I not want to make some kind of return to God for all that he has given and continues to give me?

This is the foundation for our 2022 Stewardship Drive. Sharing our time, talent, and treasure with God, our parish, and the wider community is one way of making some small return to God for all that he has given me.

The mailing you will receive outlines the ministries we are highlighting this year. These include Perpetual Adoration, liturgical ministries, carrying Holy Communion to those in nursing care facilities, hospitals, and homes, and assisting fellow parishioners with snow removal. Please prayerfully consider these opportunities to share your time and talent.

Our parish's financial needs continue to grow, so I also ask you to prayerfully consider increasing your tithing commitment for the 2022 calendar year.

Humbly I thank you for your generous support of our parish. Please ask God how He is inviting you to share your time, talents, and treasure throughout the coming year and do whatever He tells you.

Until next time, God bless you,
Fr. Matthew

World Day of the Poor

WHO LIVES IN POVERTY USA?

All those who make less than the Federal government's official poverty threshold... which for a family of four is about \$25,700. People working at minimum wage, even holding down multiple jobs. Seniors living on fixed incomes. Wage earners suddenly out of work. Millions of families everywhere from our cities to rural communities.

Poverty does not strike all demographics equally. For example, in 2018, 10.6% of men, and 12.9% of women lived in Poverty USA. Along the same lines, the poverty rate for married couples in 2018 was only 4.7% - but the poverty rate for single-parent families with no wife present was 12.7%, and for single-parent families with no husband present was 24.9%.

In 2018, the poverty rate for people living with a disability was 25.7%. That's nearly 4 million people living with a disability—in poverty.

Prayer for Souls in Purgatory

Father, God of all consolation, in Your unending love and mercy for us, You turn the darkness of death into the dawn of new life. Through Your Son, Jesus Christ, we ask You to deliver the souls in Purgatory, especially those for whom we now pray...(mention them here). Welcome them into Your presence and bless them with eternal light and peace. Raise them up to live forever with all Your saints in the glory of the Resurrection. We ask this through Christ our Lord.
Amen.

33RD SUNDAY IN ORDINARY TIME

VALUE THEM BOTH

KANSAS: NOW A "HAVEN" FOR UNLIMITED ABORTION?

Abortion Industry attorneys are celebrating Kansas as "a haven state in the Midwest"¹ for unlimited abortion. Passage of the VALUE THEM BOTH state constitutional amendment on August 2, 2022, is the only way to protect women and babies in the heartland from this predatory industry.

How did we get here? Kansas became one of the most pro-abortion states in the country after a 2019 ruling by the State Supreme Court discovered and created a nearly unlimited right to abortion in the Kansas Constitution. Even the most basic limits on the abortion industry are now "presumed unconstitutional."² Kansas is the "new New York"³ when it comes to abortion!

Abortion Industry lawyers state that Kansas will even be a destination state "if federal laws protecting abortion are overturned or significantly limited or undercut in other states."⁴

Seizing upon this new, horrific legal landscape, Kansas abortionists began filing lawsuits to block the state's bipartisan, broadly supported abortion limits that protect preborn babies and mothers.⁵ Taxpayer-funded abortions in Kansas, up to the moment of birth, are almost certain to happen without the VALUE THEM BOTH Amendment.

In fact, abortions in Kansas are already increasing. For the first time in three decades, the number of Kansas abortions climbed by a staggering 9.1%, for a total of 7,512 lives lost.⁶ 52% of these abortions were performed on non-Kansas residents.

"Texas, up from 25 abortions[in Kansas] in 2019 to 289 abortions [in Kansas] in 2020; Oklahoma, up from 85 to 277; and Arkansas, up from 40 to 74. The number of Missouri residents obtaining an abortion in Kansas climbed by 23, pushing that annual total to 3,201."⁷

The Missouri numbers show precisely why Planned Parenthood announced plans for a new clinic in Kansas City, Kansas⁸—easy access across the state line.

Get Involved. Join the fight to save babies and protect moms.
