Better Together.

Marriages do not typically fail because couples do not love each other. They fail because couples do not understand each other. The primary focus of the Retrouvaille program is to help couples learn to communicate more effectively and rediscover each other.

Retrouvaille is the largest ministry in the world focused on improving struggling marriages. It is an affordable three-phase program that helps couples face their marriage challenges in a productive and healthy way. It begins with a Weekend Retreat, followed by Post Weekend follow up sessions, and ongoing monthly marriage support.
