Do you want to get closer to God? Do you want to grow in your love for God? Do you want to live as a child of God? If you did them a long time ago and want to repeat them, welcome; it may be a new experience for you. We start, on Saturday, September 25th. How to understand our collection report?
Needed to get by is the amount that will cover our minimal operational expenses (Salaries, Utilities, Insurance, Supplies, but not building maintenance, so maintenance has to be deferred and sooner or later will catch up with us, and become unavoidable.
Needed to survive is what will cover our operational expenses including building maintenance.
Needed to thrive will cover our operational expenses, and building maintenance and allow us to increase ministry.

The Voice of the Pastor

Faith Formation for All Ages

The first week of August is over and the end of the summer approaches. As we start to think about the Fall and how we will rebuild our routines with children going back to school etc. we also should think about how we will make our life of faith a priority in our day and in our week.

The greatest gift parents and grandparents can give their children is to help them accept from God the gift of faith. This gift of knowing that God exists, that God is good, that God loves us and always walks with us, that we are never alone. This gift of knowing that our life has meaning and purpose beyond the realities of this world. We exist for a wonderful mission of being God's loving and compassionate presence to the sufferings and hungers of this world as we reach out to others in service, especially to the poor and we build a community of unity in diversity in which the whole of humanity is united in one family.

God is always offering us this gift of faith that will give us the strenghth and hope that we need to get through all the challenges and trials of life in hope, peace and joy. We cannot protect our children from every possible trial and suffering, but we can help them embrace faith so that they can face all things with purpose and strength.

To embrace this gift of faith, to become aware of this gift already present in us by God's grace. There are 3 things we need to do: we need to know our faith, we need to celebrate our faith in liturgy and prayer, and we need to live our faith in service and community.

Our parish will offer all opportunities for service throughout the year. We also offer opportunities to celebrate our faith through weekend and weekday Masses (see new schedule starting September 18-19 on page 4), we will also offer retreats and devotions and other opportunities for prayer as well as resources to foster a life of prayer at home. Finally, we offer faith formation programs so that all can come to know their faith.

Even though we are happy to offer all these opportunities forming faith is something that primarily happens within a household of faith. For this to be a possibility forming the faith of adults, parents and grandparents is essential. So the priority of any faith formation program should be the formation of adults so that they can create households of faith.

As adults we might think that we already know our faith but the reality is that in many cases the last time that we had the opportunity to learn about our faith was when as children we prepared to receive the Sacraments ourselves. The reality is that in the same way that the clothing we wore for our First Communion would not fit us today if we tried to put it on, the similar ways in which we learned our faith as children in many cases no longer fit the complex realities of our lives as adults.

This year we will continue to offer Faith Formation for Pre-K to 7th grade on Saturday mornings. We will also offer Youth Ministry. Sacramental Preparation. Preparation for First Reconciliation will happen through 6 gatherings during Lent and preparation for First Holy Communion will happen through 6 gatherings mainly Easter. Preparation for Confirmation will happen through 17 gatherings throughout the year. We will also offer RCIA and RCIC for adults and older children who want to receive the Sacraments.

As I said, the priority is Adult Faith Formation and forming households of faith, so we have organized our faith formation program for all ages around 7 themes. These themes will guide us through the year and allow all ages to be learning around the same theme at the same time so that family conversations and at home rituals are possible.

Each time we will provide households with a simple at home ritual they can practice in a couple minutes each day, so that what is learned in the classroom can be reinforced through the ritual life at home.

We will offer 7 gatherings for adults throughout the year so that adults can learn about each theme as well.

If we want to renew and reinvigorate our parish a renewal of our faith must be part of the process and we hope that this faith initiative for all ages will help us do that. We are calling this faith initiative, G.I.F.T. Growing in Faith Together.

We will bless our catechists the weekend of September 18-19. We will have Sign Up Sunday the weekend of September 25 and 26, which will be an opportunity to sign up for faith formation as well as to join different ministries in our parish. In the next few weeks you will receive a mailing with more information about this initiative and the way to sign up.

Growing in Faith Together will begin October 2, and you will be able to sign up through the mailing, online, or at Sign Up Sunday.

So, please be on the look out for more information and start planning to be part of this wonderful initiative to renew our faith.

A.M.D.G.,

Father Daniel
