**INFORMATION FOR ATTENDING MASS**

Although many of us are fully vaccinated, the province has not yet lifted any of restrictions regarding indoor church attendance. Therefore, during Mass, **we must continue to WEAR OUR MASKS, sanitize our hands upon entering the church, sit physically distanced from those we do not live with, sanitize the church after each Mass, and not gather in the church or parking lot after Mass.** As well, we still need information for contact tracing.

- ❖ **REGISTRATION IS REQUIRED FOR WEEKEND MASSES.** You can register through Eventbrite, which is accessible on the parish webpage ([www.stpatricksfallowfield.com](http://www.stpatricksfallowfield.com)), or by calling the parish office (613-591-1135). **Registration is open from Monday noon until Friday noon.** Registration is for the following week only. If you have registered for Mass but are unable to go, please call the office to cancel your registration, so that someone else can go.
- ❖ We continue to **livestream the Sunday 11:00 a.m. Mass**, available through the parish website.

*Thank you for your continued cooperation.*

## **GOPSEL REFLECTION**

In the first reading, people report to Moses that others were prophesying as Moses usually did. They expect Moses to be upset. Instead, the Prophet reminds them that there is enough room for everyone that God calls. A comparable instance also takes place in the gospel. Jesus reassures the disciples that the Spirit of God is upon those who pray and accomplish great deeds in His name. Indeed, God's calls are not limited to a select few. Whenever anyone, anywhere, is doing God's work, we are to celebrate the fruits and gifts of the Spirit. May we, the people of God, be the people who build others up! - *Excerpted from cccb.ca*

## **WORLD DAY OF MIGRANTS AND REFUGEES**

The Church has been celebrating the World Day of Migrants and Refugees (WDMR) on the last Sunday of September since 1914. It is an occasion to express concern for different vulnerable people on the move; to pray for them as they face many challenges; and to increase awareness about the opportunities that migration offers.

This year's theme is: *Towards an ever wider 'we'*, and there are 6 subtopics, including: building a "we" that cares for our common home; one Church, one home, one Family; learning to live together; and a Church that reaches out. In his Message, the Holy Father reminds us that "Salvation history has a 'we' in its beginning and a 'we' at its end, and at its centre the mystery of Christ, who died and rose so 'that they may all be one' (Jn 17:21). The present time, however, shows that this 'we' willed by God is broken and fragmented, wounded and disfigured. And the highest price is being paid by those who most easily become viewed as *others*: foreigners, migrants, the marginalized, those living on the existential peripheries."

## **COLLECTION FOR THE NEEDS OF CHURCH IN CANADA**

Though it is difficult to comprehend the full extent of the pandemic on Canadian society, Bishops easily recognize, nevertheless, the common experiences that have touched all regions: communities in lockdown; overwhelmed healthcare providers and institutions; struggling businesses; and the mental, emotional and physical toll on families, friends and neighbours.

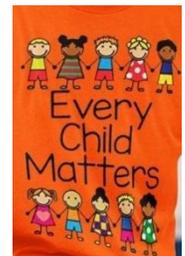

This past spring, the Church in Canada entered into a period of deep sorrow when results from investigations into gravesites at former Indian Residential Schools were shared. As Bishops, we saw ever more clearly the pain and suffering of the past and renewed our pledge to continue walking side by side with Indigenous Peoples in the present, seeking greater healing and reconciliation for the future.

This annual charitable initiative assists the Bishops in their ministry of accompanying, teaching, guiding, sanctifying and caring for the Church in Canada. We appreciate any commitments that you are able to make. — *Canadian Conference of Catholic Bishops (ccb.ca)*

## **SEPTEMBER 30 - NATIONAL DAY FOR TRUTH AND RECONCILIATION AND ORANGE-SHIRT DAY: EVERY CHILD MATTERS**

On this day we remember the children and families who died while in the school system or who were negatively affected by the Residential School System. Wearing an orange shirt is a visible way to show support and solidarity with Indigenous Peoples. An Archdiocesan Indigenous and Non-Indigenous Peoples Relations Committee has been created. The Committee's Mandate is to:

- recognize and support Indigenous pastoral leadership in the Archdiocese of Ottawa-Cornwall
- support current and future initiatives in the Archdiocese of Ottawa-Cornwall that serve reconciliation between Indigenous and non-Indigenous peoples. These initiatives include (but are not limited to) listening circles, educational programs and learning processes for bettering our relationships.

## **CATHOLICS AND EVANGELICALS IN CANADA - WE ARE NEIGHBOURS**

This is a resource created and released by the Canadian Conference of Catholic Bishops – Evangelical Fellowship of Canada National Dialogue. The resource is a study-guide based on the 2016 CCCB text *Our Evangelical Neighbours – A Catholic Reflection on Evangelical Christianity* and the 2019 Evangelical Fellowship of Canada text entitled *Our Roman Catholic Neighbours*. It invites Catholics and Evangelicals to come together to form joint study groups, and provides study questions, ideas for considering common social action, and suggestions for building relationships through faith practice.

## **NEW FINANCE COUNCIL**

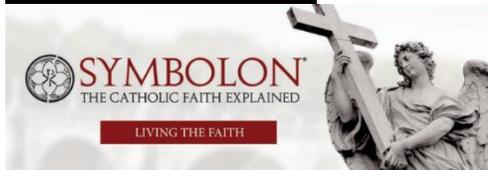

It is with heartfelt thanks that I extend, on behalf of the parishioners of St. Patrick Parish, our gratitude to the members of the Finance Council who served from 2015 through to July of 2021. The dedicated members of this Council oversaw the reconstruction and restoration of the steeple, the completion of the repointing (re-mortaring) of the church foundation both inside and outside, addressed the ongoing issues with humidity in the church, and completed the work of proper drainage around the church exterior. This last project (preventing water seeping into the church basement) has beset the church for decades. There are many more projects with a greater, equal, or lesser scope of work, too many to enumerate at this time, that were completed by or at the direction of the Finance Council over these years.

Not least among these was overseeing the parish budget during and through the repeated phases of lock-down and church closure (March 2020 - July 2021). Their expertise and diligence allowed our parish to be able to offer on-line and later in-person Masses and sacramental celebrations through those very difficult months, securing our ability to carry out the work of the gospel as best we could under extraordinary and unprecedented conditions. To the members of the Council who so generously gave of their time and energy for the good of the parish, especially in the days of the pandemic, I offer my and the parish's sincerest thanks.

The work of the Finance Council, often behind the scenes and away from the spotlight, is essential for the proper and sound operation of every parish. Here at St. Patrick Parish we have been well served by all who have accepted to act as members of this Council. With the beginning of the new pastoral year, I am happy to announce that a new Finance Council is being formed. The new Council members are Denis Boucher, Rob Wright, and Christine Singh. With them, I will ensure that the work of the previous Council will continue for the good of the parish, its sound financial operation, and its essential service to the gospel. Respectfully, Father Paul Shepherd

## **FAITH FORMATION**

Too often we try to live a faith we don't understand. Our FORMED study this fall is *Living the Faith* (Symbolon 2), a follow-on to the *Knowing the Faith* (Symbolon 1) study which we ran previously. *Living the Faith* explores how Jesus gave us the Sacraments, the Mass and the rich treasures of Church teaching to

enliven our faith and bring vibrancy to our Catholic lives. The 10-part *Living the Faith* series will take place on Zoom on Wednesday evenings starting October 6, at 7:00 p.m. Study guides will be provided. There is no requirement to have completed *Knowing the Faith* to attend as both series stand on their own. Watch the two-minute trailer at <https://watch.formed.org/videos/symbolon-trailer>. There is also no need to be a FORMED subscriber. To register for this discussion series, email [apduffngb@gmail.com](mailto:apduffngb@gmail.com) or call the parish office at 613-591-1135.
