GOPSEL REFLECTION

This Sunday there is a collection for the Evangelization of the Nations/World Mission Sunday. This is the Holy Father's annual appeal for spiritual and financial support so that the life-giving work of overseas mission and missionaries can continue.

This year's theme '*We Cannot Remain Silent – We cannot but speak about what we have seen and heard (Acts 4:20)*' is twofold. It is a message of hope – Jesus Christ is risen, and we cannot keep his love, compassion, and mercy to ourselves. It also challenges us to stand up and speak out on behalf of those who are weaker. All too often, the voices that need to be heard are not the loudest. For them, we cannot remain silent.

The mission is closely linked to the love of Christ which springs from gratitude. The Covid-19 Pandemic has made many people fragile, marginalized, and vulnerable. But the presence and compassion of Christ bring to our fragile world consolation and hope. Pope Francis calls us in his World Mission Day message to be 'missionaries of hope' in a world that is so much in need of kindness, hospitality, mercy, and community. The mission is to carry out every action of our life with the spirit of the Eucharist. It is to live a life of gratitude to God. This is the mission that all Christians have received, and God gives us the grace to live it out wherever we may be. As we pray and respond on World Mission Sunday here in Canada, we share in those celebrations taking place in every parish, school, seminary, and convent all over the world. Together with the Church of Christ on missions in the world, we cannot but speak out what we have seen and heard, providing the prayerful and financial support necessary to bring the Lord's mercy and concrete help to the most vulnerable communities in the world. Your box of donation envelopes contains an envelope for this weekend, as well, there are extra envelopes by the front doors. Or you can give directly through this site: <https://www.missionsocieties.ca/propagation-of-the-faith-spf/world-mission-sunday/>.

*"To be on mission is to be willing to think as Christ does, to believe with him that those around us are also my brothers and sisters. May his compassionate love touch our hearts and make us all true missionary disciples.
May Mary, the first missionary disciple, increase in all the baptized the desire to be salt and light in our lands"*
