St. Michael Catholic School's Weekly Newsletter - September 14, 2021

2301 West Gilbert Street, Muncie, Indiana 47303 - 765-288-5878 - [www.stmichaelmuncie.org](http://www.stmichaelmuncie.org)

Dear St. Michael Community:

Midterm reports will be sent home on Wednesday. If your child had extended absences due to COVID-19 or quarantine, you may see their grades listed as an "I". This means that grades are Incomplete at this time, and likely reflect a low percentage due to missing work. Students who have "I's" will have the opportunity to make up missed work, which will count for credit on the Quarter 1 report in October.

For this Friday's Movie Afternoon, children should be picked up at 5:00PM. Cost is \$10 per child. This is a fundraiser for the Eighth Grade Washington D.C., Trip. If you have not yet registered, please do so by Thursday morning.

On September 23, students in grades 4-5-6 will receive a free Scoliosis screening by Dr. David Anderson. If a child has concerns, parents will be informed in writing. **Children should wear a thin t-shirt under their polo shirt.**

The BELTS are in! Price (including tax) is \$7.49. Stop by the office anytime to buy. Belts are unisex and one-size-fits-all. Remember that girls who will always wear jumpers/skirts do not need to purchase a belt.

All students should be wearing St. Michael polo shirts by Monday, October 18 (first day back after Fall Break).

Yours in Christ,

Mr. Frey
