

K-5th Grade Afterschool Program Plan

The Nativity Early Learning Center's afterschool program provides a structured, secure, and enriching environment for children beyond regular school hours. It offers academic support, recreational activities, social engagement, and instruction in emotional regulation, promoting learning and development while ensuring children are supervised and engaged until parent pickup.

As part of the before-school program, children who arrive between 6:30 a.m. and 8:00 a.m. are provided breakfast and supervised time to socialize with teachers and peers. The after-school program offers:

- Classroom Activities
- Planned and guided crafts
- Homework time if needed
- Afternoon Snack
- Free Choice Time in the Classroom
- Quiet time if needed
- Reading
- Classroom Jobs (younger grades)
- Daily Outside Time
- Gym, Playground and Auditorium across the street at Nativity School

When Nativity School is not in session, the NELC provides extra care for children in the afterschool program. All children must be signed up one week in advance for school early release days. There is an additional charge for each extra care day. All extended day children are in the NELC on these days.

After School Extracurricular Activities at Nativity School

Nativity School offers many extracurricular activities, most held immediately after school. Due to the close connection between the school and the Early Learning Center, your child can join these programs. Offerings include intramural sports, music lessons, and scouting. A full list is on the school website under "Extra-Curricular Activities."
