

This gift makes plain the teachings of Christ and His Church and allows us to comprehend God's message and plan of salvation. A person with this gift is not confused by the conflicting messages in our culture about the right way to live.

NOVEMBER GIFT OF THE SPIRIT CHALLENGE

Is there a teaching of the Church or something we do as Catholics that you do not understand? Discuss questions you have as a family and search for an answer! If you don't have a specific question, read a part of the Catechism together, or watch an Ascension Presents video (<https://media.ascensionpress.com/>).
