

SUMMER READING PROJECT

For students entering 2nd grade:

Please have your child read a book from the list below and complete the story map. The story map will be due when we return to school in August. The students may choose any book from one of the following series of books. The Lexile ranges are included to give you some guidance. You will find your child's Lexile on his/her NWEA reading score.

God bless,

The 2nd Grade Teachers
