Dear Parishioners,

I am very happy to announce that the solar panels have been installed on the roof of the parish hall and we have been generating our own electricity since September 8

(depending on weather conditions). There will be an official blessing of the panels soon, but my schedule won't allow it to happen until later in October. The Parish Picnic would have been a good time to do this, but unfortunately there were a number of conflicts with our planned date for the picnic, so it has now been turned into a Christmas Party; stay tuned for more information. There were too many people and groups involved with the solar panel project to thank individually here but I'd especially like to thank all of the donors who contributed to this project, the various volunteers who contributed their time and talent to work on the planning and designs for the project, and the Laudato Si/Care for Creation group who got the project going and were determined to see it to fruition.

Verso l'alto (To the heights),

Father Brent Crowe

Community Service Opportunities! - Would you like to serve your community, but don't know where to look? Then come check out www.justserve.org, a website where the volunteer needs of organizations are linked with local people like you who'd like to help. There are also remote projects that can be done from home. At JustServe, we believe that nothing should get in the way of organizations and volunteers coming together to do good things for their community, so we help make this happen. Check out JustServe today and find out where *you* can make a difference. You'll be glad you did!
