VOTE "NO" ON PROPOSITION 1

Sadly, California is presently one of the most permissive states in the nation for Abortion. Proposition 1 is a worse scenario for abortion in California. It is an expensive and misleading ballot measure that allows unlimited late-term abortions, at any time, even moments before birth, paid for by tax dollars. Our bishops are calling us to unite in prayer and action to defeat Prop. 1.

Did you know? Parents helping parents

Some parents seem to struggle with, or just do not understand the importance of being on time for school or for pick-up at the end of a team practice. Children and other parents notice persistent tardiness and concerns about possible neglect may arise. In today's climate, a well-meaning parent who steps in to assist with offers to drop-off or pick-up another child may, even under the best of circumstances, become suspect for showing "too much" interest in a child who is not theirs. It is important to find ways to engage parents on such important responsibilities early on. One way to start the process is by inviting them to come together to talk about issues and to brainstorm policies and solutions. For more information, read the VIRTUS® article "[Parents who don't quite 'get it,'](https://lacatholics.org/did-you-know/)" at lacatholics.org/did-you-know/.

Padres ayudando a padres

Algunos padres de familia parecen tener dificultades, o simplemente no entienden del todo la importancia de llegar a tiempo a la escuela o de recoger a sus hijos al final de una pr ctica deportiva. Los ni os y otros padres de familia notan las tardanzas persistentes y pueden surgir preocupaciones sobre posible negligencia. Dado el ambiente social en la actualidad, un padre de familia bien intencionado que trate de ayudar con ofrecimientos de dejar o recoger a otro ni o puede, incluso en las mejores circunstancias, convertirse en sospechoso por mostrar "demasiado" inter s en un ni o que no es su hijo. Es importante encontrar formas de involucrar a los padres de familia en estas responsabilidades importantes desde el principio. Una forma de iniciar el proceso es invit ndolos a reunirse para hablar sobre posibles problemas y hacer una lluvia de ideas sobre directivas y soluciones. DEVOTION TO OUR HEAVENLY FATHER

By Fr. Ed Broom, OMV

Recently there has been a movement to give greater prominence to God the Father. Actually, this movement extends to asking the Holy Father to inaugurate a Liturgical Feast Day to honor God the Father.

It is true that the major Liturgical celebrations honor Jesus—His Birthday, His death and Resurrection that we call the Paschal Mystery. Then the Church formally honors the Holy Spirit on the Solemnity of Pentecost at the conclusion of the Easter Season.

No doubt, it is impossible to separate the Three Divine Persons in the Trinity - the Father, the Son, and the Holy Spirit; in a word, in God there is no divorce, separations nor disharmony nor disunity. Therefore, in every Liturgical celebration the Three Divine Persons are active. For example in Holy Mass at the moment of the Doxology the Three Divine Persons are explicitly honored and praised in these words: "Through Him, with Him and in Him, in the unity of the Holy Spirit, all honor and glory is yours eternal Father forever and ever. Amen." Indeed, this is a Eucharistic Trinitarian act of praise and worship shortly after receiving Jesus in Holy Communion.

All of this being said, whether or not one day there exists a formal Liturgical Solemnity honoring God the Father, still we must strive to give greater prominence and honor to our Heavenly Father.

Let us offer three concrete ways that we can accomplish this most noble of devotions.

1. THE OUR FATHER. Let us get into the habit of praying the Lord's Prayer, known commonly as "The Our Father" with greater attention, devotion as well as understanding. In the Spiritual Exercises Saint Ignatius suggests that we take this prayer and pray it slowly by relishing each and every one of the words in this most sublime of prayers that came from the lips and the very Heart of Jesus the Lord.

2. THE PARABLE OF THE PRODIGAL SON. (Lk. 15:11-32). Read, meditate and pray over this Literary and Spiritual masterpiece that was preached and taught by the greatest of all Teachers, the Master the Lord Jesus Christ the Eternal Word of God the Father. In your deep meditation focus especially on the Father in the Parable: His personality, His image, His actions, His attitude toward His son/sons, but most especially His infinite mercy. We might be bold enough to state that this Parable can also be termed as "The Parable of the merciful Father." In a word, to focus most especially on the Person of the Father who represents the Eternal Father Himself. The end result will be a clearer image of who God is for us, greater love for us and if we are "Fathers" we will become better fathers, having God the Father as our model, image and pattern.

3. POPE SAINT JOHN PAUL II. Of all of the saints, and most especially of all of the Popes, Holy Fathers, nobody can doubt the enormous impact and influence that Pope Saint John Paul II left on the world in his Pontificate that lasted from October 16th, 1978 - April 2nd, 2005. What a powerful, unforgettable and exemplary image Pope Saint John Paul II left as a patrimony to the world at large. We might be bold enough to state that in a human manner, that if we really desire to see a person who truly reflected the Person of God the Father in human form Pope Saint John Paul II truly did fill that role. Many men today experience a certain identity crisis. By reading, meditating and praying to Pope Saint John Paul II men can discover their true identity.

In conclusion, let us all make a sincere, concrete and concerted effort to get to know better on a daily basis the Person of the Our Heavenly Father. Let us pray the Our Father with greater attention. Let us strive to plumb the depths of the literary and spiritual masterpiece—the Parable of the Prodigal Son (Merciful Father). Finally, may the Holy Father, Pope Saint John Paul II serve as a model to imitate his Fatherhood to the world at large! May Our Lady Daughter of God the Father, Mother of God the Son and Mystical Spouse of the Holy Spirit inspire us with her powerful prayers of intercession.
