All donations are delivered to the FWB Catholic Charities office for local distribution. This service project directly benefits the poor & homeless. The first pairs of socks were handed out on Wednesday morning, and the first recipient was a woman who had no socks. The wind chill was at or below freezing that day. Your generosity really makes a difference in the lives of those in need! Contact Karen Booth at 855-3173

November 2019

Dear Brothers and Sisters in Christ,

Our diocese will soon take up the national collection for the Catholic Campaign for Human Development (CCHD). Your support for this collection brings change to people across the country and empowers those living in poverty to transform their communities into reflections of the Kingdom of God. In addition to making a national impact, we empower those living in poverty in our own diocese, because 25% of the funds we collect stay here.

Thanks to your generosity, our diocese has a CCHD grant funded to **Justice United Seeking Transformation or J.U.S.T. Pensacola**. J.U.S.T. Pensacola is a group of 20 faith congregations (3 of them Catholic) who will be working on Social Justice issues in the Pensacola area. Pensacola and the greater Escambia County area is one of the poorest areas in our state, and many of our neighbors are in need of help. One of the initial areas of concern identified by this organization is the poor condition of the public education system. Almost half of all public schools in the Pensacola area receive a grade of C or worse. Another concern is in the area of criminal justice. Crime, especially violent crime, is on the rise in Pensacola and many of our neighborhoods are unsafe. J.U.S.T. Pensacola members will address these two areas by reaching out to other organizations in cities who have had similar concerns and who have been able to improve. The organization will also work closely with school and city/county officials to fix our education and criminal justice concerns.

Your support for this collection makes a difference for people living in poverty across the United States. Please prayerfully consider how you can help CCHD this year. For more information about the collection and the people it supports, visit www.usccb.org/cchd/collection.

Thank you for joining us to work for our brothers and sisters on the margins.

Sincerely yours in Christ,

+ *William Wack, CSC*
