

Grand Knight's Report

Brothers,

Optimism *noun* **1:** a doctrine that this world is the best possible world. **2:** an inclination to put the most favorable construction upon actions and events or to anticipate the best possible outcome. (<https://www.merriam-webster.com/dictionary/optimism>)

Today's Knights are part of a worldwide fraternity of 2.1 million brothers, a fraternity built upon the values of charity, unity, fraternity, and patriotism. For all the good works Knights do, they do it in a world that's increasingly impacted by disinformation/misinformation, political upheaval, terrorism, violence, etc. For many, social media outlets have displaced mainstream media as their preferred information sources. Many will put their faith in the misinformation/disinformation they read on Facebook, X, *et.al.*, but eschew reputable newspapers and other legacy sources. In these troubling times, it's essential that we fight negativism by cultivating a spirit of optimism.

In the words of Jim McCann, "optimism is more than just a sunny outlook... It's a mindset centered on embracing the positive and expecting good outcomes, even in the face of challenges. It's about viewing setbacks as temporary hurdles and opportunities for growth rather than insurmountable barriers." When he and his co-author, Dr. George Everly Jr, wrote *Lodestar: Tapping Into the 10 Pillars of Success* (ISBN 978-7-63763-273-4), they believed it was essential to begin their book with a chapter on optimism because they genuinely believed it was "...a prerequisite for meaningful change in life."

Moving forward, I pray we'll all embrace optimism and with it, the commitment to believe in ourselves and thrive in the face of uncertainty. My wish for you is to experience a new year filled with hope and boundless possibilities. Happy New Year!

CHAPLAIN'S COLUMN

Deacon Tom Dwyer

Hopefully Christmas was a joyous and happy occasion, and you begin the New Year with renewed optimism. This would agree with Pope Francis' theme for the 2025 Jubilee Year, calling on us to be "Pilgrims of Hope". Borrowing from a BBC interview with the pope about his Jubilee Year announcement, "the pope emphasized that 'kindness is not a diplomatic strategy' nor 'a set of rules to ensure social harmony or to obtain other advantages' but rather 'a form of love that opens hearts to acceptance and helps us all to become more humble.'" The Jubilee Year is a special occasion for all, but especially Catholics, to reconcile themselves to God and to one other.

Just a short time ago the Church celebrated the Baptism of Jesus on January 12th, concluding both the Christmas season and beginning 8 weeks of Ordinary Time until Ash Wednesday on March 5th. Baptism is uniquely a sacrament of hope, when parents of children and adult converts assent to renounce sin and consciously seek divine adoption. Christ consented to John's baptism in the Jordan not to be made holy by the water, but to make water holy, consecrating it to become a source for grace for future Christians.

It is worthy of note that a new church, The Church of Jesus' Baptism, was recently dedicated at the site traditionally revered to be the location of John's baptism of Jesus, on the eastern bank of the River Jordan, about 6 miles north of the Dead Sea. Mar 21	Bingo at HNJ 6 p.m. (COR Team)

December Knight of the Month

Dave Carter

Our December Knight of the Month is very active in our parish and the Council. He regularly serves as an usher at 10:30 Mass and currently serves as our Council Chancellor. He's been a team member in our Fire Truck pull fund-raisers and helped set up for St Patrick's Day fund-raiser events at 3rd Planet Brewing. He's also helped perform grounds maintenance around the parish.

In addition, he played an important role in recruiting two new members during our Pizza Party recruiting party last year. His efforts helped our Council meet its recruiting goals for the year, which allowed us to continue to grow our Council and, ultimately, to make Star Council for the year.

In December, he supported our Council's Habitat for Humanity build and brought his son to help. For these

and many more efforts, we are pleased to announce Brother Dave Carter as our December 2024 Knight of the Month.

December Family of the Month

Tom & Karen Sanders

December's Family of the Month always brings our Council together for a dinner during the holiday season. They support a fellow Knight's business by coordinating the main course provided by Café Bien-ville, side items from our families in potluck style, and the live music! Their Christmas parties are always a blast, and Tom and Karen are much appreciated for continuing this important Council tradition.

Karen retired after 20 years working for Okaloosa County Schools as a teacher, literacy coach, and staffing specialist. She is a board member for Children in Crisis, promoting safe environments for children in rough family situations. She is also a Master Gardener, having completed all coursework and volunteer requirements. She is very active in the community.

Tom and Karen have four children and one granddaughter. Their daughters, Joanna and Julia, are active supporting families in Florida. Joanna is a WIC supervisor for the Florida Department of Health, and Julia is a therapist for the Florida Department of Education. Their son, JJ, works as a launch officer at Vandenberg AFB in California, and Shannon is a Principal with Morgan Stanley in Pensacola.

Tom is active in the Knights Council and also works with the Mid-Bay Rotary as a volunteer. In April, he retired as the Chief Economist for MOCA Systems in Niceville, a construction planning firm with contracts across the country and now enjoys playing golf and getting his work-out on. They are very proud of their family. For their wonderful work, we are pleased to announce Brother Tom and Karen Sanders as our December 2024 Family of the Month

Knights Here and Abroad

Supporting Life

As the annual March for Life and Day of Prayer for the Legal Protection of the Unborn Child in the United States approaches next week, Knights are encouraged to build a culture of life in their local communities through prayer, charity and peaceful demonstrations. Last year in Iowa, one council helped to establish a pregnancy resource center in rural Carroll County, rallying the community to fuel hope and offer support to women facing unexpected pregnancies. After just one year of operation, the New Creation Pregnancy Resource Center has already made a significant impact on the rural community of Carroll, Iowa. Founded in part by local Knights, the center offers educational resources, mentoring and baby supplies to women facing unplanned pregnancies.

Building Hope

More than 3.6 million Ukrainians have been displaced by the war, with many seeking safety and stable housing in the western part of the country. A temporary housing initiative sponsored by the Knights of Columbus recently opened 10 new modular buildings near Lviv, offering security and community support to refugee families. According to data from the United Nations High Commissioner for Refugees, approximately 6.5 million Ukrainians now live outside the country, while about 3.6 million Ukrainians are currently displaced internally. Roughly one-third of all Ukrainians have been forced to evacuate their homes, many of them to the western part of the country, which has not been as severely impacted by the war.
