

HOLY TRINITY MARATHON 2023 MATCHING GIFT PROGRAM

The students collecting donations for their walk is just one of the many pieces to this Marathon puzzle. We also count on donations from the parishioners, from Charlie the puppy, and finally, matching gifts from companies.

The Matching Gift Program is where your employer matches the gift you made to the school for the Marathon. As you know, many companies desire a community presence and set aside money in their budgets to support local schools and charities. Select companies even double or triple the gift. When you contact your employer to see if they participate in the Matching Gift Program, you are doing a service not only to your child's school, but to your employer as well. All you need to do is check with your Human Resources or Accounting department to see if your company participates in this program.

If your company does participate, please obtain an application form from them, and forward a copy to the Holy Trinity school office. Thank your employer on behalf of Holy Trinity, and let them know that they will be publicly recognized for their donation.

We depend on the Matching Gift Program to help us meet our goal. Please take time to see if your company would support our school!

If a family receives a matching grant from an employer, all the children in that family will receive an out of uniform pass and free homework pass. These would be in addition to what they earn for meeting their individual goal.

Thank you for your support of Holy Trinity Catholic School and our 2023 Marathon!
