PRO-LIFE
BITTERROOT

Mission:
We are a local chapter of a growing statewide group who are passionate about creating a culture of life by equipping, engaging, and working with other pro-lifers in Montana.

Why are we here?

- 16 years of liberal governorship + activist judges = most pro-lifers are discouraged
- Over the past 20 years, many pro-life groups in MT have disbanded
- ProLife Helena is in the process of transitioning to ProLife Montana
- There is nothing in our valley or Missoula, except LifeNet/CareNet and Birthright
- Flathead ProLife is willing to work with us as well
- We are part of the growing statewide network

What is the goal of this organization?

- We are a local group who are passionate about creating a culture of life by equipping, engaging, and working with other pro-lifers in Montana.
- Equipping – we will provide training and opportunities for sidewalk advocacy, testifying before the legislature, leadership/communications, and pro-life facts/data.
- Engaging – we will go to Planned Parenthood & Blue Mountain Clinic to pray and advocate for life, adopt moms with unplanned pregnancies, work to educate and empower churches, and support our local pregnancy resource centers. (*Baby shower for CareNet this Spring – details coming soon!)*
- Working with other pro-lifers in Montana – we will join with other orgs in prayer and support as opportunities arise to pray, march, learn, and engage. (Other orgs have established 40Days rallies, marches, prayer calls, etc. that we can join, until we grow)
