LIVE THE LITURGY

Inspiration for the week

Are we willing to be taught by God? If we are, then we will begin to see things and make judgments using a Divine lens. Often, we perceive things with purely human eyes and reference points. When we do this, reality can lose its Divine spark and we miss what God is trying to say. When using human eyes exclusively, Jesus is at best perceived simply as a prophet who has some wise things to say. The human element has a difficult time seeing Jesus' divinity and recognizing him as the Bread of Life that comes down from heaven. We can easily get stuck on Jesus' human associations and overlook the marvelous wonders God wants us to see. If we really allow ourselves to be taught by God, we will then come to see the truth about Jesus and the abundant everlasting life God offers. Jesus becomes the key that unlocks all of our relationships: with God, others, ourselves, and creation. He, as the true and lasting bread from heaven, shows us the gifts of faith, hope, and love that God bestows on us. Through this divine lens we see that all life sparkles and glows with God's love.
