

Our mission is to comfort those who have lost a child
due to miscarriage, still birth or infant loss

My sister and brother-in-law were given the heart breaking news at just 8 weeks into their pregnancy that their precious son Maximilian Pio was to be severely malformed and that he would live for only a short period of time. He arrived at 36 weeks and lived for a mere 30 seconds, long enough to be baptized and confirmed.

Watching what this young family had to go through was heartbreaking, but through consistent prayer and family support we are all getting through these tough times together. This mission is in honor of my beautiful nephew, Maximilian Pio, and is a reminder of how we need to be mindful that every life is precious and is to be cared for to our best ability.

We would also hope that by honoring the life of every lost child, we would in some small way not only facilitate the healing of so many broken hearts and dreams, but remember the joy that these babies brought to those who will always love and remember them.

Please help support those in need by donating to this cause. We appreciate any donation, big or small. Max's Mission is run on these funds. It costs around \$50 to make each Max's Mission box.

To memorialize your cash or check donation, submit it with this completed card or its likeness; or, visit us at bismarckdiocese.com/maxsmmission to use a credit or debit card. Checks should be payable to Diocese of Bismarck, and include Max's Mission on the memo line.

Your Name: _____ ●

Donation Amount: _____ ●

Email: _____ ●

Address: _____ ●

- ☐ I would like my donation amount and name to be anonymous
- ☐ I would like my donation name to be anonymous, but let the family know it was given
- ☐ I would like my donation amount to be anonymous, but release my name to the family with my thoughts/prayers
- ☐ I give permission for my name and donation amount to be released to the family
