

CMGConnect

BISMARCK DIOCESE

Church and School Safety and Security

1. Go to <https://Bismarck.cmgconnect.org/>
2. **Have you completed training for the Diocese in the past?**
If so, you may have an account already. Click *Sign In* at the top right of the page to access your training. **PLEASE DO NOT CREATE A NEW ACCOUNT.**

New to training? Please create a new account by completing all of the boxes under the *Register for a New Account* area. This will include your address, primary parish, and how you participate at your parish or school. Once your account is successfully created, you will automatically be brought to your training dashboard page.

3. Click *Start* under **Church and School Safety and Security** under the Optional Training section on your main training dashboard.
4. Watch the video training all the way to the end. The system will automatically progress when it is finished.
5. To access your certificate for the completed training, go to your training Dashboard page and click **Print Certificate** under the finished module(s).

Bismarck Diocese

Welcome to the Bismarck Diocese training hub

- This system will assist you with the required and option training(s) for your identified organization and your individual role and category
- If you have done training in the past and setup an account you will use the same user name and password. Please click the "Sign-In" tab in the right corner of this screen. We ask you to please also review that your location and your individual role and category are accurate as those items are key to the trainings you can access.
- If you are new to training please register to setup an account. Use the area to the right to begin; complete the required boxes. We ask that you review that your location, role and category are accurate to your entity and your responsibilities.

Existing Accounts

Do you have an account? If so, you don't need to sign up for a new one. Click the "Sign In" button in the upper right hand corner of this window. Otherwise, register for a new account below.
