Summary:

Lourdes Academy of Oshkosh Catholic School seeks a full time middle school math/computer science teacher beginning with the 2023/2024 school year. The school is committed to providing a traditional education in a faith filled environment. Our goal is to make sure our students feel safe, valued and loved while educating them in mind, body and spirit.

The teaching assignment will consist of 6th grade math middle school and 6th grade computer science and 7th and 8th grade PLTW curriculum.

The incumbent in this position will partner with parents, teachers and administration to foster and promote student learning and moral development through the Green Bay Catholic Diocese curriculum.

The ideal teacher is a highly-qualified educator. This candidate will have strong leadership skills, is an excellent communicator and can motivate and inspire students in a positive manner. Preference may be given to a practicing Catholic.

Applicant must:

- Hold a bachelor's degree from an accredited college or university
- Wisconsin DPI licensure and experience at the age appropriate grade levels identified for math or computer science
- Must meet or willingness to work toward catechetical certification as required by the Diocese of Green Bay
- Have a passion and commitment for a faith-filled education
- Communicates effectively in both oral and written format and can work collaboratively as an middle school team member
- Commitment to the highest standards of customer service
- A commitment to Lourdes Academy's mission, L.A.W., and its Catholic values are a must.

All positions are contingent upon the successful completion of diocesan background check and VIRTUS Safe Environment Awareness training.

Interested candidates should submit a letter of interest, resume, three letters of reference and transcripts through the [WECAN](#) system or to: humanresources@lourdes.today
