Runners are allowed to warm up on the two fairways east of tent city (holes 11 & 12) and on the 9 hole golf course used for the meet. There are 2 other courses to the south of the meet that are still open to public golfers. Please have your runners stay off those courses for their safety as they are being used by golfers. As is the case with all golf courses we use, please remind runners and spectators to stay off the tees and greens. **Coaches: Please assist us in reminding your athletes to ONLY warm up and cool down on fairways of holes 11 & 12 which are the fairways closest to tent city.**
